To the Board Members, Members of Council, Inhabitants and Ratepayers of the Corporation of the City of Hamilton

We have audited the accompanying financial statements of The Hamilton Public Library Board, which comprise the consolidated statement of financial position as at December 31, 2010, and the consolidated statement of operations, statement of changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Hamilton Public Library Board as at December 31, 2010, the results of its operations and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

The Hamilton Public Library Board

Notes to the Consolidated Financial Statements

December 31, 2010

1. Summary of significant accounting policies

The consolidated financial statements of the Hamilton Public Library Board (the Board) are prepared by management in accordance with generally accepted accounting principles for local governments, as recommended by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants.

The budget established for capital investment in tangible capital assets are on a project-oriented basis, the costs of which may be incurred over a number of years and therefore may not be comparable with the current year's actual expenditures. The Board does not budget actively within reserves and reserve funds, with the exception being those transactions which affect either operations or capital investments. Budget figures do not include amounts for tangible capital assets amortization.

Significant aspects of the accounting policies adopted by the Board are as follows:

Basis of accounting

Revenues are reported on the accrual basis of accounting which recognizes revenues as they become available and measurable, with the exception of fines and other desk receipts which are reported on the cash basis of accounting. Expenditures are reported on the accrual basis of accounting which recognizes expenditures as they are incurred and measurable as a result of a receipt of goods or services and the creation of a legal obligation to pay.

Tangible capital assets

(a) Determination of costs

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Contributed or donated tangible capital assets are recorded at their fair value at the date of receipt.

(a) Amortization

Amortization is recorded to reflect the cost, net of anticipated salvage value, associated with the use of the asset in providing Library services over the estimated useful life of the asset. Amortization expense is calculated on a straight-line basis over the assets' estimated useful lives as follows:

Collections (asset pool)	7 years
Furniture, equipment and shelving	10 years

One half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

Library land and buildings are owned and controlled by the City of Hamilton and are therefore not reflected in these financial statements.

The Hamilton Public Library Board

Notes to the Consolidated Financial Statements

December 31, 2010

1. Summary of significant accounting policies (continued).

Use of estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

2. Due from City of Hamilton

The balance due from the City of Hamilton is non-interest bearing and has no set terms of repayment.

3. Liability for future benefits

In accordance with PSAB guidelines the Board is required to report obligations for retirement benefits earned over the employment period of its employees.

Employees who have retired either under the OMERS early retirement provisions or otherwise are eligible to receive drug, extended health services and dental benefits for the lifetime of the retiree. Effective January 1, 2002 new retirees only receive benefits until age sixty-five.

The Board recognizes the post employment benefit costs as they are earned during the year. The Board's obligation under the post employment provisions of employment agreements will be funded out of current revenue.

	<u>2010</u>	<u>2009</u>
Accrued Benefit Obligation		
Vested sick leave liability	\$ 129,313	\$ 166,755
Retirement Benefits	<u>2,269,785</u>	<u>2,277,724</u>
	2,399,098	2,444,479
Net unamortized actuarial loss	<u>(315,813)</u>	<u>(358,661)</u>
Accrued Liability	<u>\$ 2,083,285</u>	<u>\$ 2,085,818</u>

The Hamilton Public Library Board

Notes to the Consolidated Financial Statements

December 31, 2010

3. Liability for future benefits (continued)

The continuity of employee benefits and other obligations are summarized as follows:

	<u>2010</u>	<u>2009</u>
Liability for Employee Benefits and Other Obligations balance at beginning of the year	\$2,085,818	\$ 2,090,199
Benefit expenditure	66,507	62,148
Interest expenditure	118,136	120,395
Amortization of actuarial loss	42,848	42,848
Benefit payments	<u>(230,024)</u>	<u>(229,772)</u>
Liability for Employee Benefits and Other Obligations balance at end of the year	<u>\$2,083,285</u>	<u>\$ 2,085,818</u>

Actuarial valuations are performed on post employment and retirement benefits to provide estimates of the accrued benefit obligations. These estimates are based on a number of assumptions about future events including interest rates, inflation rates, salary and wage increases, medical and dental cost increases and mortality. The assumptions are determined at the time of the actuarial valuations and are reviewed annually. Consequently, different assumptions may be used as follows:

	Discount Rate	Return on Assets	Inflation Rate	Salary Increases	Dental Increases	Life Expectancy (Years)
Vested sick leave	5%	NA	2%	3%	NA	12
Retirement Benefits – Health and Dental	5%	NA	2%	3%	3.5% (1)	12
Note (1):	Medical costs are assumed to increase at a rate of 4% in 2011 and 3.5% in 2012 and thereafter.					

(a) Liability for vested sick leave

Effective May 1, 1982 the Income Protection Plan was adopted and sick leave credits earned under the Sick Leave Benefit Plan were frozen. Under the Sick Leave Benefit Plan unused sick leave would accumulate and employees were entitled to cash payment upon termination of services after ten continuous years. Entitlement to cash payment continues to apply to those employees who accumulated days, to the extent that they have vested and could be taken in cash by an employee on termination. The estimated accrued benefit obligation at December 31, 2010 is \$129,313 (2009 - \$166,755).

(b) Liability for retirement benefits

The Board provides certain health, dental and life insurance benefits between the time an employee retires under the Ontario Municipal Employees Retirement System (OMERS) or the normal retirement age and up to the age of 65 years. The estimated accrued benefit obligation at December 31, 2010 is \$2,269,785 (2009 - \$2,277,724).

The Hamilton Public Library Board

Notes to the Consolidated Financial Statements

December 31, 2010

4. Long term debt

The City charges the Library principal and interest for long term debt, as well as sinking fund charges, related to Library facilities and other capital. These charges are funded by the City through its annual contributions. The debt is not disclosed on the statement of financial position as the City of Hamilton is legally responsible for repayment of the debt.

(a) The net long term debt to which these charges are related is as follows:

Debenture Number	Purpose	Interest Rates	Maturity Date	2010	2009
01-244	Westdale Branch	3.125% to 6%	2011	99,691	113,195
01-244	Barton Branch	3.125% to 6%	2011	227,791	258,652
01-162	Central Library	4.65% to 6.75%	2016	15,381	17,426
08-120	South Mtn Complex	4.728%	2023	<u>2,633,966</u>	<u>2,785,530</u>
				<u>\$ 2,976,829</u>	<u>\$ 3,174,803</u>

(b) Principal charges in each of the next five years are as follows:

2011	\$ 488,473
2012	168,731
2013	176,842
2014	185,345
2015	194,256

(c) The Board was charged \$350,235 (2009 \$350,295) for long term debt charges during the year as follows:

	2010	2009
Principal	\$ 197,973	\$ 188,516
Interest	<u>152,261</u>	<u>161,779</u>
	<u>\$ 350,234</u>	<u>\$ 350,295</u>

5. Pension agreements

The Hamilton Public Library makes contributions to the Ontario Municipal Employees Retirement System (OMERS), which is a multi-employer plan, on behalf of 280 members of its staff. The plan is a defined benefit plan, which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The latest actuarial valuation as at December 31, 2010 indicated that current member and employer contributions were sufficient to fund future benefits. Contributions were made in the 2010 calendar year at rates ranging from 6.3% to 9.5% depending on the level of earnings. As a result, \$974,304 was contributed to OMERS (2009 - \$854,767) for current service.

The Hamilton Public Library Board

The Hamilton Public Library Board

Notes to the Consolidated Financial Statements

December 31, 2010

9. Budget figures

The budgets originally approved by the Library for 2010 are reflected on the Consolidated Statement of Operations and the Consolidated Statement of Changes in Net Financial Assets and do not include amounts relating to PSAB reporting requirements.

- The budget reflects anticipated expenditures for collection purchases, whereas actual results have been adjusted to move capital-related collection items to tangible capital assets. An amount for amortization expense has not been included in the budget, but is reflected in actual results.
- Amounts included in the original council approved capital budget which are not recognized as tangible capital assets are included in Consolidated Statement of Operations under the appropriate functional expense category, while those recognized as tangible capital assets are included in the Consolidated Statement of Change in Net Financial Assets.

10. Contribution From Reserves to the Municipality

The contribution from reserves to the Municipality does not include any transfers to our operating budget.

Total Reserve Transfers	\$3,942,563
Less Transfer for Summer Reading	<u>86,826</u>
Net Transfer to Municipality	\$3,855,737

Historically, there has been no budgeted amount for transfers to the Municipality. This is due the fact that impending projects are not necessarily known or approved at the time of the budget preparation.

To the Board Members, Members of Council, Inhabitants and Ratepayers of the Corporation of the City of Hamilton

We have audited the accompanying financial statements of Trust Funds of the Hamilton Public Library Board, which comprise the statement of financial position as at December 31, 2010, and the consolidated statement of operations for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Trust Funds of the Hamilton Public Library Board as at December 31, 2010, the results of its operations for the year then ended in accordance with Canadian public sector accounting standards.
