

“How to Crochet”

Scour the web for inspiration,

excessive, filling your head.

Vast depths, sea spray.

Countless pieces and tutorials.

You do not know how to read a crochet pattern.

A myriad of phrases:

Double is triple, triple is double,

Half-double half, chain, ok.

Go buy yarn.

Which one is the best for a beanie?

Wool, acrylic, polyester, “eco” blends.

An ocean of threads, drowning in the aisle.

Purchase more needles and hooks, even though you have enough at home;

find that perfect video.

Get to work, gain confidence!

Big fish, small sea.

Stop watching, nothing new to see.

Already a pro, no need to know more.

Sail unfurled, no reason to uncurl.

It's ok she has a small head anyways.

Consider restarting; where would that lead?

It's the thought that counts, just proceed.

Voila! Beginner super easy chunky warm cozy winter hat.

Way too small.

Start over?
