

INDOOR SNOWSTORM

Bring a winter storm inside where it's warm with this 'flurry' of activities.

This week's activities: Indoor Snow - Snowstorm in a Jar

Indoor Snow

Suggested Materials:

- Baking soda
- Water
- Bowl
- Spoon

Directions:

1. Put baking soda in a bowl and add 1 teaspoon of water at a time. Stir until it looks like snow.
2. Mould your 'snow' into snowballs or snowmen, or whatever snowy creatures you like.

Snowstorm in a Jar

Suggested Materials:

- Water
- White paint (or any colour)
- Jar with lid
- Oil
- Glitter (optional)
- Antacid tablet

Directions

1. Pour $\frac{3}{4}$ cup of water and white paint into the jar and mix.
2. Add $\frac{1}{4}$ cup of oil (and glitter, if using). What happens to the paint and water when you add the oil?
3. Drop in antacid tablet and attach lid tightly. What happens to the mixture in the jar now?
