

## FAMILY DANCE PARTY

*Have fun dancing with your family!*

### Family Dance Party

Keep your spirits high and have fun at home by dancing with your family! Dancing is a great physical activity for families who are feeling cooped up and in need of some exercise. Dance like no one is watching, because no one is, you're in your own house! Try picking one song to choreograph a group family dance to, or just boogie down.

#### Suggested Materials:

- Your library card
- A computer, tablet, or cellphone with access to the internet and speakers

#### Directions:

Search [Freegal](#) for the perfect music for your family to dance to. You will need to log into Freegal with your library barcode and pin number. You can stream music for free or you can download 5 songs every week to keep permanently on your device. Hit play on the album or song you have chosen and dance up a storm with your family!
