

ADJECTIVES

Adjectives are words that describe a thing or object. For example, Scout is a **red, furry** fox. “Red” and “furry” are adjectives describing the fox. Listen to the eAudiobook [*If You Were an Adjective*](#) by Michael Dahl on Hoopla, using your Hamilton Public Library card.

See if you can write three adjectives to describe each of these pictures. Think of words on your own, or use the ones at the bottom of the page.
