Job Summary:

Under the direction of the Manager, Youth Services, Branch Managers, or designated Community Youth Librarian, assists in planning the library's Summer Reading Club and Reading and STEAM (Science, Technology, Engineering, Arts and Math) Buddies literacy programs; conducts children's programs; assists in promoting programs to the community; coordinates the activities of volunteers; listens to children reading and discussing books; provides outreach in the community, and keeps appropriate statistics.

Job Duties:

- Assist library staff in conducting summer literacy programs in support of the library's annual Summer Reading Club.
- Facilitate the Reading and STEAM (Science, Technology, Engineering, Arts and Math) Buddies program. Reading and STEAM Buddies is one of several summer reading programs offered at the Library. Reading and STEAM Buddies targets struggling readers with additional supports and science-based activities designed to nurture a love of reading.

- Deliver books and stories that highlight voices, experiences and work by Indigenous, Black, 2SLGBTQIA+ people, as well as other racialized and minority groups. Books highlighting community-building, the environment and sustainability, (especially those that emphasize Indigenous perspective), as well as multi-lingual books, will also be included.
- Assist in planning activities relating to Indigenous, community-building, and environmental themes for Reading and STEAM Buddies and for use during community outreach.
- Present children's programs, including literacy-based programs and storytelling.
- Assist in promoting literacy programs to the community.
- Assist the Volunteer Coordinator in ensuring volunteers adhere to the schedules, training and other activities associated with the reading program.
- Support Library staff when needed to provide guidance to volunteers.
- Promote the love of reading and listen to children discuss books they have read.
- Assist with preparing related reports and statistics for submission to funders.
- Participate in community outreach, such as visiting summer camps, parks, recreation and EarlyON centres.
- Library Page duties as required, not limited to shelving, shelve reading, check in/out of materials.

Qualifications:

- Senior high school (completion of grade 11 or 12), college and university students will be considered.
- Interest in or working towards a career in the library/information field, teaching, early childhood education, Indigenous studies, environmental education or literacy.
- Demonstrated ability in working with children, volunteers and diverse communities.
- Experience in planning, delivering and evaluating children's programs.
- Familiarity with public library collections as well as knowledge of books, authors and resources that are diverse, accessible, engaging and of interest to children 6-12 years of age.
- Knowledge and understanding of early and middle childhood, as well as teen, development.
- Excellent interpersonal and problem-solving skills.
- Strong written, verbal and oral communication skills, organizational skills, and attention to detail.
- High level of comfort and experience with computer applications, including working knowledge of word processing, spreadsheet and presentation software, online databases, Internet browsers, information sharing and communication technology.

- The ability to travel within the city; access to reliable transportation; or a driver's license, access to a vehicle and proof of insurance, will be required.
