INTRODUCTION

The Hamilton Public Library Board oversees the purpose, plans and policies of the Hamilton Public Library. It is the responsibility of the Library Board to ensure that the funding it receives provides the best possible library service to Hamilton residents. In addition, it is committed to providing effective governance for the Hamilton Public Library to ensure services and programs offered by HPL remain relevant to the changing needs of the communities we serve. The Library Board has four main functions:

1) To establish the mission and strategic directions.
2) To hire and evaluate the Chief Executive Officer/Chief Librarian.
3) To ensure resources are in place to achieve the mission.
4) To monitor and audit results of programs and resources.

The Hamilton Public Library Board crafts the vision and mission statement of the library and through policy sets the strategic direction of the library to better align it with the communities it serves. Board level policies provide strategic direction for the library while Administrative policies are consistent with Board level policies but are concerned with regulatory requirements or govern procedures, providing operational direction and not strategic direction.

The Board Policy Manual is provided to clarify the board policies, their reach and goals and enable the board to provide the best strategic oversight and direction. In this document a review schedule along with the purpose, definition and framework are provided along with a copy of all policies.
Policy Development Framework

Policy Level: Library Board
Author: Chief Librarian/CEO
Review Period: 4 Years
Approval Date: November 2016

Policy Purpose
To specify a formal mechanism to create, approve, publish, rescind and periodically revise Library policies and procedures.

Key Points Summary
- HPL’s body of policy/procedures will be as simple as possible and clearly communicated
- There are clear responsibilities and steps to follow in getting policies/procedures approved and published
- Board policies provide the overall direction for the organization
- Administrative policies ensure regulatory compliance and effective operations
- Administrative policies and procedures are developed to be consistent with the direction provided by the Library Board in the strategic plan, Board policies and other directions provided.

Definitions

Policy: A policy is a governing set of principles that guide Library practice. It helps to ensure compliance with applicable laws and regulations, promotes operational efficiencies, enhances the Library’s mission and values, and reduces institutional risks. It has broad application, provides a basis for consistent decision making and resource allocation.

Procedure: The operational processes or practices required to implement library policy. Operating procedures can be specific to a department or applicable across the entire library. Policy generally defines "what" the institution does operationally, while procedures define "how" the library intends to carry out those policies.

Differences between Policies and Procedures
The distinctions between policy and procedures can be subtle and vary depending on the level of operations being described. Nevertheless, there are common characteristics that can help discern policy from procedures. (Source: http://policy.calpoly.edu/cappolicy.htm)

Guiding Principles and Commitments
The Hamilton Public Library is committed to having clearly written and understandable policies and procedures. Core principles and rules that shape HPL’s policy and procedure body of work include:

1. **Simplicity**: We live in a time of rapid change with the need for HPL to continually evolve and change and to respond to changing individual and community needs. In this environment, complex rules and processes are less likely to be consistently followed and effectively communicated than simple ones. Our goal therefore in developing policies and procedures will be to aim for as much simplicity as practical.

2. **Clear Language & Presentation**: Policies and procedures will be written in clear language. Wherever possible formatting tools such as lists, tables, graphs, and other visual aids will be used to assist with communicating the information.

3. **Accessibility**: Policies and procedures will be available in accessible formats. Policies and procedures will be published using different channels to ensure they are readily available for staff and customers as needed.

4. **Consolidation**: Wherever practical, related information will be contained in the same policy/procedure. When new circumstances require additional policy development, the goal will be to update existing policies without adding new ones.

5. **Schedule of Review**: A schedule will determine the minimum frequency of review. Where policy/regulatory changes or other special circumstances arise, priority will be given to addressing those over the normal schedule. The standard review cycle will be developed to ensure these goals are met:
   - All policies/procedures get reviewed at a minimum every 4 years (term of the Library Board)
   - The frequency of review does not create unnecessary work that does not advance our mission or service.
   - We meet all regulatory requirements.

6. **General Rules**: Policies and procedures are meant to provide guidance to ensure we approach similar situations consistently and appropriately. In developing them the goal is to address most but not all situations (80/20 rule). Policies/procedures that try to capture rules that address every possible situation often become counterproductive because the core-important rules get lost in too much detail and complexity.

7. **Incremental Changes**: Occasionally legislative changes or other external influences require major changes to our policy/procedures; however, when not facing such pressures the priority will be to adjust and improve rather than radical changes.
Responsibility for Maintaining Policies/Procedures

Different levels of policy/procedures have different rules around where they need to be published and when they need to be reviewed. While work may be delegated, the responsibility for ensuring policies/procedures are up-to-date, follow at least the minimum review cycle and are published in the appropriate places lies with the CEO/Chief Librarian or Senior Director responsible for the policy/procedure.

Policy Levels

1. **Library Board Policies** – Core policies that set the broad direction for the organization. They articulate priorities for service development, define core service levels and specify fee structures.

2. **Administration Policies** – Policies that are required for administrative or regulatory purposes. These policies are developed consistent with the intention of Board policies and other direction provided by the Library Board.

3. **System Procedures** – Organization procedures developed to ensure effective and efficient operation of the Hamilton Public Library.

4. **Departmental Procedures** – Departments develop internal procedures to ensure effective and efficient operations of their department.

It is the responsibility of the Library Board to ensure that the funding it receives provides the best possible library service to Hamilton residents. In addition, it is committed to providing effective governance for the Hamilton Public Library to ensure services and programs offered by HPL remain relevant to the changing needs of the communities we serve. The Library Board has four main functions:

5) To establish the mission and strategic directions.

This seal shall be affixed under the direction of the Board to all deeds, contracts, or documents requiring the seal, which seal shall be attested to by the signatures of the Chair and the Secretary, or by such other member and/or other officer as the Board shall direct.

The Head Office of the Board shall be at the Central Library, 55 York Boulevard, Hamilton, Ontario L8R 3K1.

3.0 Officers
The Board shall have the following officers:

- Chair
- Vice Chair
- Secretary
- Treasurer
- Chief Executive Officer

3.1 Chair
In the first year of a new Board’s term the Chair shall be elected at the inaugural meeting of the Board and serve until January, when there will be the election of the Chair for that year. In each subsequent year of a Board’s term, the election of the Chair shall take place in January. The Chair shall hold office for one year and may be re-elected for a maximum of one additional consecutive year (See Elections Section 5.0).

The primary role of the Chair of the Board is to ensure the proper functioning of the Board and the proper conduct of Board business, in accordance with all relevant legislation and with the rules of procedure adopted by the Board.

The Chair’s responsibilities include:

1) Presiding at regular and special meetings of the Board in the manner and extent prescribed by the Board.
2) Committing the Board to no course of action unless specifically authorized by the Board to do so.
3) Serving as an ex officio member of all Board committees.

3.2 Vice-Chair
The Vice-Chair shall be elected at the first meeting of the Board in each year, shall hold office for one year and may be re-elected for a maximum of one additional consecutive year. The Vice-Chair, in the absence or illness of the Chair, shall act in the place and stead of the Chair and while so acting has all the powers of the Chair. If both the Chair and Vice Chair are unavailable, the Secretary will assume the duties of the Chair.

3.3 Secretary
The Secretary of the Board shall be the Chief Executive Officer.

3.4 Treasurer
The Treasurer of the Board shall be the Chief Executive Officer.

3.5 Chief Executive Officer
The Board shall appoint the Chief Executive Officer, who shall be its Chief Librarian, and who shall hold office until the Board rescinds the appointment or a new appointment is made. The Chief Executive Officer shall be responsible, under the supervision of the Board, for the general conduct and management of the Hamilton Public Library. Only decisions of the Board are binding on the CEO.

1. Decisions or instructions of individual Board Members, officers or committees are not binding on the CEO except in rare circumstances when the Board has specifically authorized or delegated such exercise of authority.
2. In the case of Board Members or committees requesting information or assistance without Board authorization, the CEO can refuse such requests.

Operational achievement and conduct of library staff are the responsibility of the CEO, to whom the Board has delegated authority over and accountability for staff performance.

1. The Board will never give instructions to persons who report directly or indirectly to the CEO.
2. The Board will refrain from evaluating, either formally or informally, any staff other than the CEO.

Systematic and rigorous monitoring of the CEO's job performance will be conducted in accordance with the Chief Librarian/CEO Performance Appraisal document.

(4.0 Board Members' Code of Conduct)
Board Members must avoid any conflict of interest with respect to their fiduciary responsibility by adhering to the regulations of the Municipal Conflict of Interest Act (R.S.O. 1990, Chapter M.50) There will be no self-dealing or any conduct of private business or personal services between any Board Member and the organization except as procedurally controlled to assure openness, competitive opportunity and equal access to inside information. Board Members will not use their positions to obtain employment in the organization for themselves, family members or close associates. In the event that a Board Member accepts employment with either
the City of Hamilton or the Hamilton Public Library during their term, they shall resign immediately upon acceptance of said employment.

Any Board Member who declares their candidacy for public office, whether at the municipal, provincial or federal level, shall resign from the Board upon public declaration of their candidacy. This provision does not apply, however, to the Councillors of the City of Hamilton who are appointed to serve on the Hamilton Public Library Board.

Members will annually disclose their involvements with other organizations, with vendors, or any other associations that might produce a conflict.

Members will respect the confidentiality appropriate to issues of a sensitive nature and understand that it is the Chair’s role to represent and speak on behalf of the Board.

4.1 Vacancies
In the event of a vacancy occurring on the Board, the Secretary, upon instructions from the Board in session, shall advise the Clerk of the City of Hamilton and request that a new member be appointed to fill the vacancy under the conditions contained in the Public Libraries Act.

In the event of a vacancy occurring during the year in the office of Chair or Vice-Chair, the Board at its first regular meeting thereafter shall elect a new Chair or Vice-Chair to serve for the remainder of the elected time in that office.

4.2 Resignation
Members of the Board who must resign before the end of their term of appointment on the Board shall inform both the Clerk of the City of Hamilton and the Secretary of the Board in writing, specifying the effective date of their resignation.

5.0 Inaugural Meeting and Elections

5.1 Inaugural Meeting
In the first year of its term, the Board shall hold its inaugural meeting at a place and time to be determined by the Chief Executive Officer, provided that such meeting shall be held within 30 days of the appointment of a majority of its members.

5.2 Elections
In the subsequent years of its term, the Board shall hold its nomination meeting at the place and time of its regular January meeting and the regular meeting shall take place immediately following.

The Secretary of the Board shall take the chair and shall call for the Nominating Committee Report with the full slate of nominations for the Chair, Vice-Chair and members of the standing committees. The Chief Executive Officer shall introduce the nominee for each position individually and then ask if there are any nominations from the floor for the same position.

Any member of the Board has the right to make nominations from the floor. This can either be a self-nomination for any position – Chair, Vice-Chair or member of a standing committee – or the nomination of someone else.

1. Nominations shall be made with no seconder required.
2. Nominations shall be closed by a motion made and seconded.
3. Voting shall be by secret ballot.
4. The nominee receiving a clear majority of the votes cast shall be declared elected by the Chief Executive Officer.
5. Should no member receive a clear majority, balloting shall proceed with the nominee’s name receiving the smallest number of votes being dropped.

6.0 Meetings and Notice of Meetings
A regular meeting of the Board shall be held on the third Wednesday of the month (except July and August) at 6:00 p.m. in the Board Room at the Central Library, 55 York Boulevard, Hamilton or at such other day or time or such other place as may be agreed upon by the Board. The dates of Board and committee meetings will be listed on the Library’s website. The upcoming meeting dates will be posted as they get scheduled; however, a minimum of three days’ advance notice on the website is required.
Written notice of all regular meetings together with the proposed agenda and the minutes of the immediately preceding regular meeting and of any special meetings shall be communicated to each member of the Board at least three days in advance of such meetings.

6.1 Special Meetings
The Chair may, or upon the written request of any two members of the Board, call a Special Meeting by giving, through the Secretary or designate, at least three days written notice to each member, specifying the purpose for which the meeting is called. The purpose of a Special Meeting shall be specific. No business shall be transacted or considered at such a meeting other than that specified in the notice.
Electronic Voting: In cases where a prompt decision is required and scheduling a meeting may not be practical, or expeditious for the issue at hand, the Chair may opt to seek a vote electronically, by open and transparent electronic communication means. Instructions for public participation in the electronic meeting will be included in the website notice. In such cases, motions will be carried by a simple majority of the entire Board. Items decided by electronic voting will be reported as part of the next scheduled Board meeting.

6.2 Attendance
Board Members are expected to attend all scheduled monthly meetings of the Board. Any member who must be absent from a meeting must advise the Secretary in advance. In any event, absence from three consecutive scheduled meetings (according to the Public Libraries Act, section 13 (c)) will result in the member’s disqualification from the Board unless the member is ‘excused for cause’ by a motion of the Board.
The Secretary shall record the names of members in attendance in each meeting of the Board and of its committees.

6.3 Quorum
A quorum, which shall be a majority of the Board, must be present for the transaction of business at a meeting. If a quorum is not present within fifteen minutes after the hour for which any Board meeting has been called, the Secretary shall record the names of such members present and the Board shall
stand adjourned. Any member declaring a conflict of interest in a matter to be discussed during the meeting will not be counted in establishing the quorum for that matter.

Nothing in the foregoing shall prohibit the members in attendance for a regular meeting, when no quorum is present, from constituting themselves as a committee dealing with such agenda items as they see fit.

However, no decisions taken at such a meeting may be executed until ratified by motion at a regular meeting of the Board or, when time is of the essence, written approval of such decisions may be obtained from a majority of the members of the Board.

6.4 Voting

All members of the Board (including the Chair) - unless they have declared a conflict of interest on a matter and are therefore ineligible to vote on that matter - shall vote on all questions. Any motion on which there is an equality of votes shall be deemed to be lost. Abstentions are counted as a negative or no vote.

Motions shall be carried by a simple majority (more than one half the total members present eligible to vote), except as otherwise provided for in this By-Law.

Notice of motion given at the previous meeting and two-thirds majority vote is required for:

1. A motion to reconsider a lost motion.
2. A motion to amend the by-laws.

6.5 Agenda Procedure

The Secretary will work with the Chair and Vice Chair to determine the Agenda for any meeting of the Board. The standard process for getting items added to the agenda is for Board Members to communicate with the Chair and Secretary, preferably with a ten (10) day notice prior to a meeting. The Secretary and Chair will then develop draft motions, presentations and reports as needed. Other than routine business or those arising out of reports from committees, the Chair may rule items out of order.

Board Members, in extraordinary circumstances where they deem the standard process unsatisfactory, may submit a formal notice of motion to the Chair and Secretary who will ensure their motion is attached to the Board package unedited. Notice of such a motion will be sent to the Chair and Secretary with at least ten (10) days’ notice before the meeting.

6.6 Meeting Procedural Rules

The rules and practice set out in Robert’s Rules of Order shall govern wherever applicable in all cases not specifically provided for in these by-laws.

6.7 Order of Business

The order of business at regular meetings of the Board shall be as follows, subject to the discretion of the Chair:

1. Discussion
2. Acceptance of the Agenda
3. Minutes
4. Declarations of Conflict of Interest
5. Presentations
6. Consent Items
7. Business Arising from the Minutes
8. Correspondence
9. Reports
10. New Business
11. Private and Confidential
12. Date of Next Meeting
13. Adjournment

6.8 Delegations
Members of the public may make verbal presentations to the Board as a delegation with the permission of the Chair or upon written notification to the Secretary, received seven (7) days in advance of the meeting.

6.9 Minutes
The Secretary or designate shall keep Minutes of every meeting of the Board.
The Minutes shall be confirmed by motion at the next following Board meeting.

6.10 In Camera Sessions
An *in camera* session of the Board shall be held when it is expedient to consider all or part of an agenda *in camera* because “intimate financial or personal matters” may be disclosed in debate and the desirability of protecting against the consequences of such disclosure outweighs the desirability of holding the meeting in public.
The decision must be confirmed by the Board or Board Committee in the form of a motion “THAT item(s) #___ be considered during an *in camera* session”. Such a motion shall be non-debatable and, if it is carried, the Chair shall designate a time for the session to be held. An *in camera* session shall be ended by a motion that the regular session be resumed.
Any actions determined during an *in camera* session must be authorized by a Board motion passed during the regular open session and recorded in public minutes. 1.2 CEO/Chief Librarian Performance Appraisal

Policy Level: Library Board
Author: HR Director
Review Period: 4 Years
Approval Date: May 2016

Introduction
One of the responsibilities of the Library Board is to employ a competent CEO/Chief Librarian (henceforth CEO). This Policy has been developed to ensure that the process is fair, is transparent to Board members, protects confidentiality and is focused on improving the CEO’s performance and adherence to Hamilton Public Library’s strategic priorities, the basis for the CEO’s goals.

Principles
• The Library Board is responsible for the CEO’s Performance Appraisal (PA) process.
• The CEO Performance Appraisal will be conducted consistent with Library Board mission, values and strategic priorities.
• The Board will seek written self-assessment from the CEO on their previous year’s performance. This self-assessment will then be discussed at a meeting of the Library Board and will remain confidential. The Director of Human Resources assists with the process.
• The Library Board aspires to make decisions based on consensus. Where consensus is not achievable, a vote may be taken on specific goals or sections of the PA under question. In such cases a simple majority (number that is greater than half of a total) of Board members present will be required to approve.

Criteria for Evaluation
• The purpose of evaluation is to ensure alignment between the Library Board and the CEO and to ensure feedback systems are in place to support ongoing improvement.
• The Library Board will monitor the degree to which Board policies and strategic priorities are met. Monitoring of the CEO’s job performance will be solely against expected job outputs. Data that do not do this will not be considered to be monitoring data.
• The Board may acquire monitoring data by one or more of three methods:
  o Internal reports, in which the CEO discloses performance and compliance information to the Board
  o External reports, in which a disinterested, external third party selected by the Board, assesses compliance with Board policies.
  o Direct Board inspection, in which a designated member or members of the Board assess compliance with the appropriate policy criteria
• The standard for performance/compliance shall be a reasonable interpretation of the Board policy or priority being monitored

**Frequency of Appraisals**
The standard period for evaluation will be annually, unless a consensus is reached with the Library Board and the CEO that a longer period is more appropriate. In such a case the schedule will be adjusted accordingly.

**Schedule and Process**
The schedule provides a checklist for the steps of the process

• **Establishing Goals: November** in discussion with Board in December
  o The organizational goals are the CEO’s goals and the CEO is to draft goals for the coming year based on these discussions.
  o Draft sent to Board for comment, comments sent to the Chair/CEO in writing. All comments will be viewed by the entire Board and if approved by the majority of the members they will be incorporated into the performance document for the given year.
  o Once finalized, goals will be approved by the Library Board.

• **Mid-Year Progress Report: June**
  o CEO presents to the Board a mid-year progress report that includes any needed adjustments to the goals for 2nd half of the year.
  o Draft sent to Board for comment, comments sent to the Chair in writing. All comments will be viewed by the entire Board and if approved by the majority of the members they will be incorporated into the performance document for the given year.
  o Once finalized, goals will be approved by the Library Board.

• **Final Report for the year: December**
  o CEO works with the Board to complete report for the year
  o Draft sent to Board for comment, comments sent to the Chair/CEO in writing. All comments will be viewed by the entire Board and if approved by the majority of the members it will be incorporated into the performance document for the given year.
  o Once finalized, goals will be approved by Library Board.
  o Final versions of the Goals and Reports will be signed by the Board Chair, CEO and Director of Human Resources and added to the CEO’s personnel file.
Board Discussions

- During the process there may be questions or the need for a Board discussion at any point during the year. Board members wishing such discussion should request that through the Board Chair.
- The item will appear under Private and Confidential as “HR Matter”
- The CEO may remain for the 1st part of the in camera discussion to make a statement or answer questions; however, the main Board discussion will happen with the CEO not present. The Director of Human Resources will remain in attendance to take notes and advise on process.
- The discussion with the CEO related to their performance appraisal will be done by the Chair and Vice-Chair.

1.3 Advocacy and Political Participation Policy

**Policy Level:** Library Board  
**Author:** Chief Librarian/CEO  
**Review Period:** 4 Years  
**Approval Date:** December 2016

**Policy Purpose**

This policy provides guidance for Hamilton Public Library (HPL) staff and the Library Board in respect to advocacy and participation in elections and political parties.
Key Points Summary

- A core HPL value is intellectual freedom and our role is to facilitate the expression of a wide range of ideas.
- Public libraries play an important role in encouraging democratic participation and awareness.
- HPL needs to ensure we preserve the public’s trust in us as an independent organization by being careful to avoid the perception of bias or partisanship.

Policy Details

Guidance for Staff

Promoting Democratic Awareness and Participation
The Library Board encourages staff to support non-partisan activities that encourage political participation and voter awareness. Approved activities include things like the following:

- Using library space to serve as polling stations
- Using library space for non-partisan voter registration tables
- Using library space to host all candidates meetings
- Using library space to host programs and discussions about relevant current issues

Approval for using the library space or website for non-partisan activities requires approval of the Chief Librarian or designate.

Maintaining Public Trust and Independence
The Library Board requires staff to refrain from activities that could erode our position of trust and independence. The Library will not support, endorse, or advocate the viewpoints or beliefs of any one candidate, political party, partisan organization or group. The following activities are not permitted:

- The posting or distribution of partisan election or campaign material in or around library facilities or on the website
- Renting library space for partisan events, election or campaign activities
- While at work staff will not wear anything that promotes a specific issue, candidate or party. They will not post, distribute or promote any election candidate, issue or party while on library property

Guidance for Library Board Members

Advocating on Behalf of Libraries
Public Libraries, like the Hamilton Public Library, provide tremendous value and play an essential role in promoting literacy and the love of reading. Libraries help individuals overcome barriers that limit their ability to participate in the economy and in society. Advocating and promoting public libraries and HPL is an important role for all staff and Board members. While advocacy is important, it is also critical that these efforts are done in a thoughtful way that strengthens the depth and breadth of support for libraries over the long term. Some key points around advocacy:

- The goal of advocacy is to promote awareness of the impact and value of public libraries. Our efforts in Hamilton are naturally focused on the impact and value HPL has on our community
• HPL has a long history of nurturing as wide a support as possible. In the process of advocating for HPL, we will focus on the positive merits of our value and avoid criticism of individuals not sharing our perspective.

• Where appropriate, HPL will participate in advocacy efforts with provincial and national library organizations. We will partner with the library community to support independent research that improves and deepens our understanding about the impact of libraries and the best practices to achieve that impact.

• The timing and nature of our advocacy will be careful to avoid the appearance that we are endorsing a specific candidate or political party.

• In general, HPL's formal advocacy efforts will focus on issues that are related to our mission as a public library. For example, efforts to influence the Ontario and Canadian governments will focus on funding or legislation that impact public libraries or libraries in general. This, however, does not in any way preclude HPL from participating in or supporting awareness campaigns on issues consistent with our values of respect and inclusion, or, in general, support of issues related to health and wellness and democratic participation.

The **Chair** is the official spokesperson for the Library Board.

- Only the Chair may represent and speak for the Board in an official capacity to outside parties in announcing Board-stated positions and in stating Chair decisions. (from Board By-Laws)

The **Chief Librarian** speaks on behalf of the HPL in matters relating to the operation and procedures of the HPL and may speak on behalf of the Board in cooperation with the chair of the Board.

- The Chief Librarian identifies and maintains effective relationships with appropriate stakeholders such as other libraries, universities, research organizations, governments, agencies, businesses, media, non-governmental organizations, community leaders and related institutions on a provincial, national and international scale. (from Chief Librarian role description)

- The Chief Librarian is responsible for ensuring procedures are in place to support effective coordination with media.

All **Board members** are encouraged to promote the value of the Hamilton Public Library and its impact on the community. This is done by:

- Sharing stories and relevant information about library programs, services and impact.
- Sharing information about the Board’s values, vision and strategic plans.
- Being an excellent ambassador for HPL and advocating consistent with this policy.
- When requested, assisting the Board Chair in officially representing HPL at meetings or other events.
- Respecting the confidentiality appropriate to issues of a sensitive nature and understand that it is the Chair’s role to represent and speak on behalf of the Board.
- If contacted by the media, coordinate with the Board Chair and Chief Librarian to ensure appropriate information is shared. Because of their roles the Board Chair and Chief Librarian are
responsible for responding to media inquiries. This role is often delegated to others, but the delegation requires the approval of the Board Chair or Chief Librarian.

### 1.4 Rules for Going In-Camera

**Policy Level:** Library Board  
**Author:** Chief Librarian/CEO  
**Review Period:** 4 Years  
**Approval Date:** October 2016, Draft June 2019

**Key Points Summary**
- The PLA records the following reasons for going in camera:
  - the security of the property of the board;
  - personal matters about an identifiable individual;
  - a proposed or pending acquisition or disposition of land by the board;
  - labour relations or employee negotiations;
  - litigation or potential litigation, including matters before administrative tribunals, affecting the board;
  - advice that is subject to solicitor-client privilege, including communications necessary for that purpose;
  - if the subject matter relates to the consideration of a request under the Municipal Freedom of Information and Protection of Privacy Act.
- Before holding a meeting or part of a meeting that is to be closed to the public, a board or committee of the board shall state by resolution, the fact of the holding of the closed meeting; and the general nature of the matter to be considered at the closed meeting.
- Voting in camera is allowed in the PLA if the matter is for instruction to a board member, employee of the library or of the board. Board Bylaws state that any action must be passed in a regular open session, although the minutes may be kept confidential.

**Policy Purpose**
The Hamilton Public Library Board is governed under provincial legislation, namely the Public Libraries Act (PLA). The legislation outlines specific reasons the Library Board may go in camera to protect the Library’s interests and legal responsibilities. The Board follows the practice of using the right to go in camera as sparingly as possible. This policy elaborates on the PLA rules and specific rulings from the Information and Privacy Commissioner (IPC) of Ontario.

**Definitions**
- **In-camera** describes closed board meetings, or sections of board meetings that are closed. Which cover information not recorded in the minutes or divulged to the public. Such sessions may discuss personnel, financial, or other sensitive decisions that must be kept confidential.
Public Libraries Act (PLA) is the statute which governs public libraries in Ontario. First passed in 1990, with latest amendment in 2009.

Information and Privacy Commissioner of Ontario is an officer established by the Ontario Legislature in the Freedom of Information and Protection of Privacy Act (FIPPA, 1987). This office is independent of the government and upholds and promotes open government and the protection of privacy in Ontario.

Policy Detail
The City of Hamilton’s Procedural By-Law has been developed consistent with the Municipal Act and other relevant legislation. Council tries to limit the number of times it goes in camera; however, there are legal reasons mainly covered in the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA) that at times compel in camera discussions. The City minutes the general nature of the reason for going in camera. Wherever possible, they provide some specificity in the reason for going in camera in the agenda without revealing confidential information.

Before holding a meeting or part of a meeting that is to be closed to the public, a board or committee of the board shall state by resolution, the fact of the holding of the closed meeting; and the general nature of the matter to be considered at the closed meeting.

In camera may be used under the PLA for:
- the security of the property of the board;
- personal matters about an identifiable individual;
- a proposed or pending acquisition or disposition of land by the board;
- labour relations or employee negotiations;
- litigation or potential litigation, including matters before administrative tribunals, affecting the board;
- advice that is subject to solicitor-client privilege, including communications necessary for that purpose;
- if the subject matter relates to the consideration of a request under the Municipal Freedom of Information and Protection of Privacy Act

Voting on a matter in camera is allowed under the PLA if: the vote is for a procedural matter or for giving directions or instructions to officers, employees or agents of the board or committee of the board or persons retained by or under contract with the board. In practice, when a formal decision is required the motion is recorded after the Board leaves in camera. The Board Bylaws state: Any actions determined during an in camera session must be authorized by Board motion passed during regular open session and recorded in public minutes. However, the Board’s Secretary may designate the minutes of in camera sessions as confidential if Section 28(2) of the Public Libraries Act applies.

Policy Statement: In keeping with the Hamilton Public Library’s mission as a public library, the Library Board endorses the following position statements. These position statements, along with the Library’s mission, values and strategic priorities are to guide the development of library policy and services.

2.4.1 Intellectual Freedom Policy

Policy Level: Library Board
Author: Chief Librarian/CEO
Review Period: 4 Years
Approval: May 2017

The Hamilton Public Library Board endorses the Statement on Intellectual Freedom as set out by the Canadian Federation of Library Associations (CFLA) and the Ontario Library Association (OLA) statement on the Intellectual Rights of the Individual.

- **Canadian Federation of Library Associations Statement on Intellectual Freedom and Libraries**

  The Canadian Federation of Library Associations recognizes and values the Canadian Charter of Rights and Freedoms as the guarantor of the fundamental freedoms in Canada of conscience and religion; of thought, belief, opinion, and expression; of peaceful assembly; and of association.

  The Canadian Federation of Library Associations supports and promotes the universal principles of intellectual freedom as defined in the Universal Declaration of Human Rights, which include the interlocking freedoms to hold opinions and to seek, receive and impart information and ideas through any media and regardless of frontiers.

  In accordance with these principles, the Canadian Federation of Library Associations affirms that all persons in Canada have a fundamental right, subject only to the Constitution and the law, to have access to the full range of knowledge, imagination, ideas, and opinion, and to express their thoughts publicly. Only the courts may abridge free expression rights in Canada.

  The Canadian Federation of Library Associations affirms further that libraries have a core responsibility to support, defend and promote the universal principles of intellectual freedom and privacy.

  The Canadian Federation of Library Associations holds that libraries are a key institution in Canada for rendering expressive content accessible and affordable to all. Libraries are essential gateways for all persons living in Canada to advance themselves through literacy, lifelong learning, social engagement, and cultural enrichment.

  Libraries have a core responsibility to safeguard and facilitate access to constitutionally protected expressions of knowledge, imagination, ideas, and opinion, including those which some individuals and groups consider unconventional, unpopular or unacceptable. To this end, in accordance with their
mandates and professional values and standards, libraries provide, defend and promote equitable access to the widest possible variety of expressive content and resist calls for censorship and the adoption of systems that deny or restrict access to resources.

Libraries have a core responsibility to safeguard and foster free expression and the right to safe and welcoming places and conditions. To this end, libraries make available their public spaces and services to individuals and groups without discrimination.

Libraries have a core responsibility to safeguard and defend privacy in the individual’s pursuit of expressive content. To this end, libraries protect the identities and activities of library users except when required by the courts to cede them.

Furthermore, in accordance with established library policies, procedures and due process, libraries resist efforts to limit the exercise of these responsibilities while recognizing the right of criticism by individuals and groups.

Library employees, volunteers and employers as well as library governing entities have a core responsibility to uphold the principles of intellectual freedom in the performance of their respective library roles.

**Ontario Library Association Statement on the Intellectual Rights of the Individual**

In affirming its commitment to the fundamental rights of intellectual freedom, the freedom to read and the freedom of the press, as embodied in the Canadian Charter of Rights and Freedoms, the Ontario Library Association declares its acceptance of the following propositions:

1) That the provision of library service to the public is based upon the right of the citizen, under the protection of the law, to judge individually on questions of politics, religion and morality.

2) That intellectual freedom requires freedom to examine other ideas and other interpretations of life than those currently approved by the local community or by society in general, and including those ideas and interpretations which may be unconventional or unpopular.

3) That freedom of expression includes freedom for a creator to depict what is ugly, shocking and unedifying in life.

4) That free traffic in ideas and opinions is essential to the health and growth of a free society and that the freedom to read, listen and view is fundamental to such free traffic.

5) That it is the responsibility of libraries to maintain the right of intellectual freedom and to implement it consistently in their selection of books, films, recordings, other materials, and in the provision of access to electronic sources of information, including access to the internet.

6) That it is therefore part of the library's service to its public to resist any attempt by an individual or group within the community it serves to abrogate or curtail access to information, the freedom to read, view and listen by demanding the removal, or restrictions to library information sources in any format.

7) That it is equally part of the library's responsibility to its public to ensure that its selection of materials is not unduly influenced by the personal opinions of the selectors, but determined by the application of generally accepted standards of accuracy, style and presentation.

2.4.4 **Access to Information and Communication Technology (ICT)**

**Policy Level:** Library Board  
**Author:** Director Digital Technology  
**Review Period:** 4 Years  
**Approval Date:** May 2017

The Hamilton Public Library Board endorses the Canadian Federation of Library Associations (CFLA) Position Statement on *Access to Information and Communication Technology (ICT)*.
Position Statement on Access to Information and Communication Technology (ICT)

Preamble
CFLA/FCAB views the Internet and other publicly available ICT networks as public goods essential to participation in a democratic and information-driven society. Therefore, CFLA/FCAB recognizes that access to ICT is an essential part of the universal access to information that Canadian libraries provide and support.
CFLA/FCAB and its members will co-operate with governments, agencies, industry and other organizations to ensure that these fundamental rights are represented in all policies and laws governing access to and dissemination of information via ICT.

All Canadians have the right to:
1. Universal, Equitable, and Affordable Access to Robust ICT networks
   • Access to high-speed ICT networks should be available and affordable to all regardless of factors such as age, religion, ability, gender, sexual orientation, social and political views, national origin, economic status, location and level of information literacy.
   • Special efforts should be made to ensure equity of access in rural and remote areas and access to inclusive technologies for people with disabilities.
   • A public policy framework should support the development of ICT infrastructure that meets high standards of speed, reliability and universality.
2. Access to Information Literacy
   • Everyone should have the opportunity to acquire the necessary skills to find and use information using ICT.
3. Open Access to Information
   • Open access to information should be encouraged at all levels of government and in all publicly-funded institutions. This information should be available free of charge with as little restriction on re-use and modification as possible.
   • Government and public institutions should take responsibility for archiving information in order to preserve collective memory.
4. Freedom of Expression
   • Individuals have the right to create, share, exchange, access and receive the widest range of ideas, information and images.
   • Public policy should encourage neutrality of traffic flow on ICT networks, neither privileging nor restricting information based on content or type. Libraries and other knowledge organizations should encourage the development and use of neutral search and retrieval mechanisms.
5. Privacy
   • Privacy of personal information on ICT networks should be carefully protected by legislation.
   • In all situations, there should be a written statement outlining the purpose for which personal data is collected. The collection of personal information should be limited to that which is necessary for the purposes identified by the organization. Consent should be required for the collection of personal information and the subsequent use or disclosure of this information.
   • This data should not be traded or sold without the express written permission of the individual affected. Information about privacy policies and mechanisms should be easily accessible and all changes to these should be made on an “opt-in” basis.
   • Individuals should have the right to examine their own personal information collected by government, public bodies and corporations and to have mistakes corrected, both without charge.

2.4.5 Access by Design and Privacy by Design

Policy Level: Library Board
Author: Chief Librarian/CEO
Review Period: 4 Years
Approval Date: June 2013

The Hamilton Public Library endorses the principles of **Access by Design (AbD)** and **Privacy by Design (PbD)** as developed by the **Ontario Privacy Commissioner**. As library systems, programs and policies are reviewed or developed, the principles outlined in AbD and PbD will be incorporated into the planning process.

- **Privacy by Design (PbD) - The 7 Fundamental Principles**

1. **Proactive not Reactive; Preventative not Remedial**
   The Privacy by Design (PbD) approach is characterized by proactive rather than reactive measures. It anticipates and prevents privacy invasive events before they happen. PbD does not wait for privacy risks to materialize, nor does it offer remedies or resolving privacy infractions once they have occurred — it aims to prevent them from occurring. In short, Privacy by Design comes before-the-fact, not after.

2. **Privacy as the Default Setting**
   We can all be certain of one thing — the default rules! Privacy by Design seeks to deliver the maximum degree of privacy by ensuring that personal data are automatically protected in any given IT system or business practice. If an individual does nothing, their privacy still remains intact. No action is required on the part of the individual to protect their privacy — it is built into the system, by default.

3. **Privacy Embedded into Design**
   Privacy by Design is embedded into the design and architecture of IT systems and business practices. It is not bolted on as an add-on, after the fact. The result is that privacy becomes an essential component of the core functionality being delivered. Privacy is integral to the system, without diminishing functionality.

4. **Full Functionality — Positive-Sum, not Zero-Sum**
   Privacy by Design seeks to accommodate all legitimate interests and objectives in a positive-sum “win-win” manner, not through a dated, zero-sum approach, where unnecessary trade-offs are made. Privacy by Design avoids the pretense of false dichotomies, such as privacy vs. security, demonstrating that it is possible to have both.

5. **End-to-End Security — Full Lifecycle Protection**
   Privacy by Design, having been embedded into the system prior to the first element of information being collected, extends securely throughout the entire lifecycle of the data involved — strong security measures are essential to privacy, from start to finish. This ensures that all data are securely retained, and then securely destroyed at the end of the process, in a timely fashion. Thus, Privacy by Design ensures cradle to grave, secure lifecycle management of information, end-to-end.

6. **Visibility and Transparency — Keep it Open**
   Privacy by Design seeks to assure all stakeholders that whatever the business practice or technology involved, it is in fact, operating according to the stated promises and objectives, subject to independent verification. Its component parts and operations remain visible and transparent, to users and providers alike. Remember, trust but verify.

7. **Respect for User Privacy — Keep it User-Centric**
   Above all, Privacy by Design requires architects and operators to keep the interests of the individual uppermost
by offering such measures as strong privacy defaults, appropriate notice, and empowering user-friendly options. Keep it user-centric.

Information and Privacy Commissioner of Ontario - Revised January 2011

Access by Design (AbD) - The 7 Fundamental Principles

1. Proactive, not Reactive
Many public institutions are still reactive and wait until a request for information is received before deciding to release it; this can be a slow, cumbersome process, easily used as a mechanism to deny access to information. With Access by Design, government institutions can take a proactive approach to promote full transparency, while at the same time, achieving cost-savings by eliminating a costly and cumbersome disclosure process.

2. Access Embedded into Design
When access is embedded into the design of public programs from the outset, it delivers the maximum degree of access to government-held information by making proactive disclosure the default. The benefits are twofold: the public can access information more directly; and government institutions can save significant resources by making their information available on a routine basis – by default.

3. Openness and Transparency = Accountability
A transparent and open government is vital for a free and democratic society. The essential purpose of access to information legislation is to support the democratic process by ensuring that citizens have the information required to hold their governments accountable – which is not possible if government activities and documents are hidden from public view. When government proactively provides routine access to government-held information, it creates a “culture of accountability.”

4. Fosters Collaboration
The Internet has given impetus to a new phenomenon where more and more community groups are coming together online with the power to engage government policy makers directly. Government institutions need to embrace this new culture by making data readily available to these groups as part of the social contract to serve their citizens. Further, there are new opportunities for the private sector to work collaboratively with government in utilizing public data, with many potential benefits for the economy as a whole.

5. Enhances Efficient Government
The demand for government services continually increases, while governments constantly face the need for cost reduction measures. By embracing Access by Design, public institutions can improve their information management practices by eliminating the inefficient process of “reactive” disclosure, and yet provide more streamlined access to public information. Further, citizen groups can also utilize public data to spot inefficiencies in, and improvements for, government services – increasing efficiency by reducing demand on government resources.

6. Makes Access Truly Accessible
Simply releasing more data is not enough. Access by Design also requires that public information be easily found, indexed and presented in user-friendly formats. There is little value in proactively disclosing public information if it is quietly placed online in obscure locations, using uncommon software which cannot be widely utilized. In addition, public institutions need to ensure that their IT systems are up-to-date and can meet increased public demand by extracting information quickly, in a cost-effective manner.

7. Increases Quality of Information
Information has been called the lifeblood of the 21st century economy. This is no less true when it comes to meaningful citizen participation in public life. Not only is it essential for government institutions to place public data on public databases, they must also ensure that the information is
accurate, reliable and up-to-date. Quality control and assurance protocols are vital to ensure that public participation in the democratic process remains relevant and meaningful.

2.4.6 Library Board Statement of Sustainability
Policy Level: Library Board
Author: Chief Librarian/CEO
Review Period: 4 Years
Approval Date: September 2010

Policy Statement
It is the responsibility of the Hamilton Public Library Board to ensure that the funding it receives provides the best possible library service to Hamilton residents. It is the responsibility of the library to ensure that all residents have access to the information and the resources required to enhance their lives. Libraries thrive when five core elements are present. These elements are:

1. Collections that are relevant and that are available when people need them;
2. Facilities that are busy, attractive, accessible and open sufficient hours to justify their costs;
3. Technological infrastructure that is robust and capable of adapting to changing customer demands and expectations;
4. Staff that are knowledgeable, trained and who perform work that provides relevant value to those they serve.
5. Services and programs that remain relevant to those they serve and that are modified, added or eliminated to reflect changing customer needs.

When too much or too little of the available funding is disproportionately spent on any single element or elements, a library system cannot operate effectively or provide relevant on-going service to the municipality it serves.

The Hamilton Public Library Board is committed to seeking a delicate balance between these elements when it sets budgets and when it reviews the operations of the library system.

Parents and/or those responsible for the child are responsible for the selection, usage and safe return of materials borrowed by their children with the exception of films rated “R” or “18A” by Ontario Film Review Board and games rated “M” by the Entertainment Software Rating Board which are limited to customers 18 years of age or older.
**Access Cards**
Access Cards are available to individuals that have limited identification or may have limited ability to pay overdue fines. These cards have limited borrowing privileges for physical materials but full access to digital resources.

**Non-Resident Cards**
Non-residents can purchase an annual library membership:

- There is an annual non-refundable fee effective from the date of registration. Cardholders will be asked to verify their address and phone number at that time. (see Fines and Fees Policy)
- Non-resident cards have the same privileges as a standard resident card
- It is noted that non-residents who are eligible for a reciprocal card may wish to pay the annual fee to have full borrowing privileges.

**Reciprocal Borrowing Cards**
Hamilton Public Library has a number of formal reciprocal borrowing agreements with neighbouring municipalities. Reciprocal borrowing agreements require Library Board approval.

- **Participating Systems:** Burlington Public Library, Cambridge Public Library, County of Brant Library System, Grimsby Public Library, Haldimand Public Library, Milton Public Library, Region of Waterloo Library, Waterloo Public Library and Wellington County Public Library
- **Note:** Individuals from outside of Hamilton require a valid library card from a participating library system, along with identification showing their name and address. Customers may borrow, but a Hamilton Public Library card is not issued.

**Corporate Cards and Educational Cards**
Staff employed by a Hamilton day-care centre, institution, school, corporation, business, government agency, association, charitable and non-profit organization or group home may apply for a specialty library card, such as a Corporate or an Educational card.

A special application form must be completed for these two categories of library membership. A Corporate card application requires the signature of an executive or administrator who is authorized to accept financial responsibility for the organization. In the case of schools, the application needs to be signed by the principal. These specialty cards carry additional conditions:

- Library card must be in-hand to borrow materials
- The corporation/institution is responsible for all lost or damaged materials
- Corporate/educational staff may not use this card for personal use
- The Manager of the lending location reserves the right to impose limitations on the amount and type of material available, or shorten the loan period if necessary.
- Corporate and Educational cards are verified annually in order to confirm executive/administrator information. Verification may be done by phone.
Customer Confidentiality

Personal Information and Terms of the Library Card Agreement

Library registration is carried out in accordance with the Library’s Privacy Policy, which provides full information about the collection and use of personal information.

- The Library does not share information about the borrower’s record including borrowed items, overdue items, or fines except as specified in the Privacy Policy.
- Information about what a person has borrowed is not kept when the item is returned except where fines and fees may have occurred, or when the customer has the tracking feature activated which tracks the history of an individual’s use. All materials retain the history of the last borrower until the item is borrowed by another customer.
- Visiting Library Service (VLS) customers’ information is retained for the period they are enrolled in the service.
- As outlined in the Privacy Policy, obtaining a library card implies the individual’s consent to authorize the Library to collect personal information for the purpose of conducting the Library’s business, which may include fines, holds, overdue notices and programs.
- Children: As required by legislation, the parent or guardian who is listed as the responsible person on the child’s account may obtain information about that account if they have the child’s card, until the child turns 16 years of age.

Notifications

Library cardholders receive notifications regarding their borrowing from the Library. Customers are notified by email or automated telephone calls/voicemail messages advising of items that are coming due, are overdue, or are on hold and ready to be picked up. If customers prefer not to receive library notifications and opt to manage their borrowed materials, this can be requested at the time of card registration or any time thereafter.

Inactive Cards

Inactive cards are deleted on a four (4) year cycle if there are no fines and fees associated with the account.

Borrowing Responsibilities

Signing the library card implies the card holder’s acceptance of and adherence to rules and regulations of Hamilton Public Library. All card holders are responsible for:

- Materials checked out on their card
- Promptly reporting changes in registration information such as name, address or contact information and
- Promptly reporting the loss or theft of a library card

Card holders also authorize the Library to collect personal information for the purpose of providing service.

Verification: Resident and Access card holders are required to verify their contact information every three (3) years. Non-Resident, Reciprocal, Corporate and Education Cards require annual verification.
**Borrowing Privileges**
A valid Hamilton Public Library card is required to borrow materials. Loan periods vary based on the materials borrowed and the type of Library card used to borrow materials.

**Loan Periods**
- 21-day loan period - applies to most print material
- 14-day loan period - Bestseller Express, magazines
- 7-day loan period - DVDs, Blu Rays, games
- 3-day loan period - DVD Express

Staff can offer extended loans to 21-day loan material, excluding new or requested items (items “on hold” for another customer). The maximum due date can be extended up to nine (9) weeks from the date of original check out. The Manager may impose restrictions on the number of items that can be extended.

**Borrowing Limits**
**Resident cards** have limits on the number of items customers can borrow:
- A maximum of 75 items can be checked out at any time.
- A limit of two (2) DVD Express and two (2) Bestseller Express items can be checked out at any one time.
- A maximum of 75 holds can be placed.

**Corporate** cards and **Non-Resident** cards share the same borrowing limits as a standard resident card.

**Access card** users can borrow materials and are subject to the same responsibilities as a standard resident library card but with reduced borrowing limits:
- A maximum of five (5) items can be checked out at any time
- A maximum of one (1) Express item
- A maximum of five (5) holds can be placed at any time
- Access to digital collections and resources wherever possible

Fines are not applied except for select materials.

**Educational cards** have extended borrowing and loan periods.
- A maximum of 200 items can be checked out at any one time
- Ninety (90) day loan period for 21 day items
- Express items are excluded from borrowing with this card
- A maximum of ninety-nine (99) holds can be placed

**Reciprocal card** holders can borrow up to eight (8) items and can place two (2) holds. These customers have the same loan periods as a resident card. They do not have access to digital resources, such as eBooks. All other parameters of a Resident card apply.
Renewals
Most items may be renewed up to five (5) times following initial checkout as long as they have not been requested by another customer. There are no renewals permitted on the following items:

- Magazines
- DVD Express
- Bestseller Express
- Items requested by another customer
- Renewal of Interlibrary loan materials is subject to the guidelines of the lending library.

Reserves/Holds
Customers with a valid Hamilton Public Library card may reserve an item that someone else is currently borrowing. This is referred to as placing an item on “hold.” The following circulating items cannot be reserved:

- Magazines
- DVD Express
- Bestseller Express

Upon notification that a reserve is available, customers have 10 days to pick up the item. eBook users have three (3) days (72 hours) to download their hold. An automatic borrowing option that checks out the copy as soon as it becomes available is available for eBook users.

Returns
Borrowed items from the Hamilton Public Library need to be returned to one of its locations. Drop boxes are available for the return of items when the location is closed. If a Hamilton Public Library item is returned to another library system in error, the card holder is responsible for all fines and associated charges. Certain items may need to be returned during open hours.

Suspension of Borrowing Privileges
Borrowing privileges are suspended when customers have fines and/or overdue materials over the limit threshold. See Fines and Fees Policy.

3.3 Fines and Fees Policy

Policy Level: Library Board
Author: Director, Public Service Partnerships & Communications; Director Finance & Facilities
Review Period: 4 years

Policy Purpose:
To ensure that staff and the public are aware and can easily access the parameters regarding fines, and fees for a variety of services, as well as the associated costs of replacing damaged materials.

Key Point Summary:
- The Library charges fines for physical materials returned late and has different fine levels based on the type of Library material a customer borrows
- Borrowing privileges are suspended once a fine limit has been reached
- Customers will be billed and the Library uses a collection agency for overdue accounts that exceed an established threshold
- Customers have different options on how to pay fines
- A summary of fines and fees is provided for the following categories:
  - Fines for materials
  - Local History & Archives image reproduction fees
  - Non-resident fees
  - Printing and photocopying fees including Makerspace
  - Replacement costs of lost or damaged materials
  - Room rental fees
- Fines and fees are set by the Library Board as stipulated by the Library Act.

Definitions:
- Library fines are small daily charges that are applied to a borrower’s card after a book or other borrowed item is kept past its due date.
- Fees are charges related to replacement fees, service fees, items or room rentals.

Policy Details:

Hamilton Public Library charges fines on overdue materials to encourage customers to return items on time. Any fine revenue raised is added to the library's operating budget.

Fines are charged on overdue materials up to a maximum amount per item based on Library card type. Customers will be billed if materials are not returned within a set period of time. The library does pursue overdue accounts with a collection agency for accounts that exceed the established threshold.

Please note that fines are charged on late materials on a calendar day basis at all locations.

Fines are not charged on materials borrowed with Access cards with the exception of Express Items or video games. It should be noted that Access card holders have reduced borrowing privileges with this card. See Borrowing Policy.
Staff members are encouraged to use their discretion to waive or reduce fines in such cases as illness, hospital stays, accessibility issues, etc. Staff members will refer to their Manager for extenuating and complex situations.

3.5 Safety of Children in the Library Policy

Policy Level: Library Board
Author: Director, Digital Technology & Youth Services
Review Period: 4 Years
Approval Date: September 2015

Policy Statement

The Hamilton Public Library welcomes and encourages children of all ages to enjoy the Library’s programs, collections, services and spaces. Library staff work to engage children, families and teens in positive ways, and provide support while they are in the Library. All customers are expected to abide by the Library’s Customer Code of Conduct. Staff and customers share a commitment to maintain a pleasant, safe and respectful environment for learning and leisure. Together we will create the opportunity for everyone to use the Library.

The Hamilton Public Library Board endorses the Ontario Library Association’s statements on Children and Teens Rights in the Public Library. Library staff are trained to assist children in using the Library but cannot assume responsibility for the safety and well-being of children left unattended in the building. Library policies and services are designed to provide a safe and welcoming environment for customers of all ages but parents need to use the same caution with their children at the library as they would in any other public setting.

Responsibility for the welfare and the behaviour of children using the library ultimately rests with the parent/legal guardian or an assigned caregiver. The Library recognizes the following terms as stipulated in the Ontario Child and Family Services Act (CFSA) with regard to the supervision of children:

Section 79(3) “No person having charge of a child less than 16 years of age shall leave the child without making provision for his or her supervision and care that is reasonable in the circumstances.”
Section 79(4) “Where a person is charged with contravening Subsection (3) and the child is less than 10 years of age, the onus of establishing that the person made provision for the child’s supervision and care that was reasonable in the circumstances rests with the person.”

Library staff are obligated by the Ontario Child and Family Services Act to call the Police or the Hamilton Children’s Aid Society if they have any concerns about the safety and well being of a child.

Notes
Sunday hours run from September (weekend after Labour Day) until the end of June
Approval History: December 2014, December 2017
**General Guidelines**
Children under the age of 10 should be accompanied by an adult or caregiver while in the Library. If a child is left at the library at closing time or in the event of an emergency situation or closure, the staff person in charge will attempt to contact the parents or caregivers. If the parent or adult caregivers cannot be contacted within 10 minutes after closing, staff will notify the police.

Parents must ensure that children requiring supervision are brought to the library with a responsible caregiver. Parents or caregivers are responsible for supervising their child’s access to all library resources including the Internet and Digital Media Lab technologies. Children under the age of 10 must have a parent or caregiver in the immediate vicinity unless they are participating in a library program. We ask that parents or caregivers who do not attend a program with the child under the age of 10 must remain on the premises. Library staff may request that a parent or caregiver be present to sign a child in and out of a program.

Children ages 10 and over are welcome to use the library independently on a regular basis, but parents are still responsible for the behavior of any children while in the library.

**Unattended Children in the Library**
In most circumstances, the health and safety of children, particularly older children and teens, is not an issue. However, Library staff will intervene when they become aware that a child in the Library is in these, or similar, situations:
- A child is alone, visibly upset or ill;
- A child under the age of 12 is left alone with younger siblings;
- A child is alone and doing something dangerous, or another person in the library seems to be a danger to the child;
- A child is alone, and is not following library rules after reasonable warnings;
- A child is left alone at the library at closing time.

**Requests for information regarding Truant children**
As a public facility, the library does not monitor the activities of its customers unless there is a problem with conduct or a child is inappropriately left alone as outlined above.

The report details strategies, initiatives and activities to reaching the organization's goals of creating an accessible organization and delivering exceptional and accessible services. The document also reports on progress made during the year including measures the Library has taken to identify, remove and prevent physical and attitudinal obstacles and promote free movement of persons with disabilities in a manner that is consistent with regulations, standards or codes of practice. The report sets out measures and deliverables proposed for the year ahead. As the library reviews policies, practices and services, accessibility for persons with disabilities will be considered.

**Consultation and Feedback**
The Hamilton Public Library will consult with members of the public and community stakeholders when considering or reviewing customer service practices, service delivery channels, types of services and new buildings or renovations to current buildings. Public meetings for the purpose of consultation will be advertised in advance, will be held in accessible locations and accessibility services will be provided when a request is received in advance of the meeting. Additionally, the Hamilton Public Library will have in place a procedure for receiving and responding to feedback about how it provides library services to persons with disabilities. Such feedback from a member of the public may be given by telephone, in person, in writing, in electronic format or through other accessible methods.

**Inquiries**
Any inquiries related to this *Policy* or requests for documents related to this *Policy* may be directed to library employees at any public service point. Employees will respond as they are able and may refer the inquiry within the organization, including to the Chief Librarian.

Persons with a disability may provide their own assistive device for the purpose of obtaining or using
library services and may have free access to assistive devices available in the Library designed to help a person with a disability to carry out activities or to gain access to library services. Exceptions may occur in situations where the Library has determined that the assistive device may pose a risk to the health and safety of the person with a disability or to the health and safety of others on Library premises. In these situations, the Library may offer a person with a disability other reasonable measures to assist him or her in obtaining and using library services, where the Library has such other measures available. It is the responsibility of the person with a disability to ensure that his or her assistive device is operated in a safe and controlled manner at all times.

**Service Animals**
Persons entering Library facilities may be accompanied by a service animal. If it is not readily apparent that the animal is a service animal, Library employees may ask if an animal is a service animal and whether documentation of the animal’s status is available. If documentation is not immediately available, the person and the animal, normally, will be allowed access to the Library for the current visit and asked to bring documentation for future visits.

Service animals are generally dogs but do include other animals. It is the responsibility of the person with a disability to ensure that his or her service animal is kept under control at all times.

The Library will provide access to, or arrange for access to, accessible materials where they exist and will provide library publicity and reports in alternate formats upon request. The Library complies with the *Clear, Accessible and Large Print Guidelines* developed by the City of Hamilton in conjunction with the City of Hamilton Advisory Committee for Persons with Disabilities. The Library will work to ensure the website and web content is accessible according to the appropriate Web Content Accessibility Guidelines (WCAG) 2.0.

**Design of Public Spaces**

supportive environment to serve all residents including persons with disabilities. All Library construction projects, retrofits and redevelopments will comply with Ontario Building Code requirements, with the Hamilton Barrier-Free Design Guidelines and with the AODA 2005 Design of Public Spaces Standards. In the event of new construction or significant building renovations, the Library will reduce barriers by ensuring accessible entrances, walkways and parking and maintain accessible library spaces including service desks.

**Temporary Service Disruptions**
The Library will make reasonable effort to provide notice of planned or unplanned disruption of library services to the public, including information about the reason for the disruption, its anticipated duration, and a description of any alternative facilities or services that may be available. In the case of unplanned disruption, advance notice will not be possible.

Notice will be given to the public by posting the information at a conspicuous place on affected premises and by posting notice on the Library website, and by such other method as is reasonable in the circumstances. The Library will have a procedure document that sets out the steps to be taken in connection with a temporary disruption and, upon request, will give a copy of the document in an accessible format to any member of the public.

**Procurement of Goods, Services, Facilities and Equipment**
The Library will incorporate accessibility criteria and features when procuring or acquiring goods, services or facilities, including self-service kiosks. Working with the City of Hamilton, accessibility considerations are outlined in the purchasing documents. If it is not possible or practical to incorporate accessibility criteria and features, an explanation will be provided upon request.

**Employment**
The Hamilton Public Library will notify its employees, the public and applicants selected to participate in an assessment or selection process of the availability of accommodation for disability. The Library will provide information about the availability of accommodation for applicants with disabilities in its recruitment processes. Additionally, if a selected applicant requests an accommodation, the Library will consult with the applicant and provide or arrange for the provision of a suitable accommodation in a manner that takes into account the applicant’s accessibility needs due to disability.

When making offers of employment, the Hamilton Public Library will notify the successful applicant of its policies for accommodating employees with disabilities. The Library will ensure that its employees are aware of its supports for employees with disabilities including the provision of job accommodations. The Library will consult with its employees and will provide accessible formats and communication supports for information that is needed in order to perform the employee’s job and information that is generally available to employees in the workplace.

The Library will take into account the accessibility needs of its employees with disabilities, as well as any individual accommodation plans, when providing career development and advancement to its employees with disabilities.

The Hamilton Public Library has a return to work process for its employees who have been absent from
work due to a disability and require disability-related accommodations in order to return to work. The Library works with employees with disabilities to develop individual accommodation plans. The Library documents its process for the development of such plans. The Library’s Performance Management process takes into account the accessibility needs of employees with disabilities, as well as individual accommodation plans, when using its performance management process with respect to employees with disabilities.

When redeploying employees, the Library will take into account the accessibility needs of its employees with disabilities, as well as individual accommodation plans.

The Hamilton Public Library will provide individualized workplace emergency response information to employees who have a disability, if the disability is such that the individualized information is necessary and the employer is aware of the need for accommodation due to the employee’s disability. If an employee who receives individualized workplace emergency response information requires assistance in case of evacuation or other emergency, with the employee's consent, the Library will designate an employee to provide assistance and will provide the workplace emergency response information to the designated person. Workplace emergency response plans will be reviewed annually.

The Library will inform employees of its policies used to support employees with disabilities, including policies on the provision of job accommodation, both when they begin their employment and whenever there is a change to the policies. Reminders of this information are included in the Library’s regular program of AODA training.

Note: The Employment section of the Policy applies to the Library’s recruitment activities and to Library employees and does not apply to volunteers and other non-paid individuals.

Training
The Library will ensure that training is provided on the requirements of the Accessibility for Ontarians with Disabilities Act (AODA) and its applicable regulations, and on the Human Rights Code (HRC) as it pertains to persons with disabilities. Training will be provided to all employees and volunteers, to all persons who participate in developing the organization’s policies and to all other persons who provide goods, services or facilities on behalf of the organization. Training will be provided as part of orientation for new employees, volunteers and persons providing goods, services or facilities on behalf of the organization, and will be refreshed on a continuing basis, as required.

All employees will receive accessibility training. The training on the requirements of the Integrated Accessibility Standards and on the Human Rights Code will be appropriate to the duties of the employees, volunteers and other persons including employee role relating to policy development. A record of training will be maintained by the Human Resources Department.

The training will include a review of the purpose of the AODA and the requirements of the Integrated Accessibility Standards. Training will include information about how to interact and communicate with persons with various types of disabilities and what to do if a person with a disability is having difficulty gaining access to Library services or employment. The training will help trainees develop
understanding of how to interact with persons with disabilities including those who use assistive
devices or who require the assistance of a support person or service animal. The training will provide
orientation to this Policy, related procedures and guidelines and to the use of equipment and devices
available on Library premises or through the website that may help with the provision of Library
Services to persons with disabilities. The training will also provide orientation to the Library’s
employment accommodation policies and procedures and to the Human Rights Code (HRC) as it
pertains to persons with disabilities. Members of the Library’s Management Committee and any other
persons that participate in the development of the Library’s public and internal policies and
procedures, or in procurement processes, will additionally receive training regarding their AODA and

Policy Details:
Strong library collections are fundamental to public library service. The Hamilton Public Library (HPL) is committed to developing and maintaining diverse, relevant and responsive collections that meet and anticipate the changing needs of our customers.

The ultimate responsibility for the library’s collections lies with the Chief Librarian acting in accordance with the general policies established by the Library Board. In practice, this authority is delegated to the Director of Collections.
The Library Board, in establishing a Collections Policy, was cognizant of the Constitution Act, 1982, Part 1, Canadian Charter of Rights and Freedoms, Section 2b, which guarantees “everyone the following fundamental freedoms...freedom of thought, belief, opinion and expression, including freedom of the press and other media of communication. The Hamilton Public Library endorses the Position

The presence of materials in the Library collections does not constitute an endorsement of their content or viewpoints by the Library Board. The Board recognizes that this policy is carried out in compliance and with due regard for all applicable legislation.

Where appropriate, HPL participates in resource sharing initiatives and consortium purchasing to provide the greatest access to library materials.

**Criteria for Selection:**
- suitability of physical and digital form for library use
- relation to existing collections and other items on a subject
- accessibility of items in other libraries, for free via the internet, or from other easily and freely accessible resources
- interests and composition of the community
- popular or anticipated demand and current trends
- attention of critics, reviewers, and the public
- quality, clarity, comprehensiveness and accuracy of the work

An item need not meet all of the above criteria in order to be acceptable. Items that do not meet these criteria may be purchased to satisfy demand. The Local History and Archives department will only accept material on a permanent basis, except when borrowing material for short-term loans to reproduce or to include in displays or exhibits.

**Requests for Removal of Items**

The Hamilton Public Library recognizes the right of individuals to express opposition to author or artists’ ideas or to their creative exercise in items selected for the library. While people have the right
to reject for themselves items of which they do not approve, they do not have the right to restrict the freedom of others. The Hamilton Public Library is a resource where many points of view and modes of expression can be examined without hindrance. No ideas and opinions have universal acceptance and the use of language or visual depiction, either descriptive or expressive, can in itself stimulate controversy.

The Hamilton Public Library complies with any law enacted at the federal, provincial or municipal level, and therefore does not collect or maintain items which have been judged obscene or pornographic, or has been banned by the courts. The relevant sections of the Criminal Code of Canada are: sedition, hate propaganda and obscenity.

The presence of an item in the collection does not indicate an endorsement of its contents by the Hamilton Public Library, but rather is an affirmation of the principle of intellectual freedom as embodied in the Canadian Federation of Library Associations’ Position Statement on Intellectual Freedom and Libraries.

The following will not cause an item to be automatically included or excluded from the collection:

- race, religion, nationality or political views of an author
- frankness or coarseness of language
- controversial content
- endorsement or disapproval of an individual or group
- language in which the work is written or spoken

If a customer feels that an item in our collection falls outside the criteria outlined in this policy, they are invited to complete a Request for Reconsideration Form.

**De-selection and Collection Maintenance**

The library strives to maintain strong physical collections while growing or providing access to content that reflects the increasing demand for information, books, music and videos in digital formats.

The Library continually identifies items from its collections for discard based upon the following criteria:

- Item’s subject is outdated
- Item is no longer of interest or in demand
- Overabundance of an item or subject as interest wanes
- Worn or damaged copies

Once an item has been identified for possible elimination based on the criteria above, the process of determining if an item still deserves a place in the library’s collection begins. Retention is based on the following criteria:

- Is it of local, regional, or national significance, including works of local or Canadian authors, artists, recording artists or film makers and works pertaining to local history?
- Is it a work by a famous author, artist, recording artist, film maker or universally accepted as a classic work?
- Is it unique to the collection in that there is little or no information available on that topic elsewhere and the information is still relevant and useful?

Items withdrawn from the collection are placed on sale annually or shipped to a reseller.
Local History & Archives Collections
Material added to the Local History & Archives collection shall be held until such time as it is deemed no longer relevant and is de-accessioned. All information pertaining to the de-accessioning and disposition of material will be retained in the Archives’ records.

Access to Collections
Physical access to items will not be restricted except for the express purpose of protecting an item from damage or theft. Library customers of all ages shall have open access to all the Library’s collections with the following exceptions:

- Films rated “R” or “18A” by Ontario Film Review Board and Games rated “M” by the Entertainment Software Rating Board are limited to customers 18 years of age or older.
- Access to collections housed in the Local History and Archives Department is limited to customers 14 years of age and older. Users under 14 must be accompanied by a parent or guardian.
- In keeping with the Library’s The Rights of Children and Teens in the Public Library Policy, there is no restriction on the material that may be borrowed by children. Parents and/or those responsible for the child are responsible for the selection, usage and safe return of materials borrowed by their children.
- Interlibrary Loans
- The Hamilton Public Library Board recognizes the important value of the interlibrary loan service to compliment HPL’s collections. HPL actively participates in resource sharing for the benefit of library customers across Ontario and Canada and to provide Hamilton Public Library customers with efficient access to information and materials not held in the HPL. Interlibrary loans are limited to those items that the library might not be expected to own. HPL does not depend upon another library to supply the normal needs of our customers. Customers have the option of requesting a “No Charge loan”. However, when the lending institution has charges to apply, customers must agree to pay up to $25 in charges when they place the request. If the charge will exceed $25 the customer will be contacted. If an HPL customer loses an item borrowed from another library on their behalf they are responsible for all replacement charges from the lending institution.

Suggestions for Purchase, Donations & Gifts
- Suggestions: We encourage customer participation in the shaping of our collections. Suggestions are referred and considered according to the Library’s selection criteria.
- Material Donations: Defined as items purchased commercially that are no longer needed by customers and organizations. Offers to donate items to the Hamilton Public Library are appreciated. However, we do not accept them, because they place a financial toll on the system that supersedes any monetary gain from sale or enhancement to our collection.
- Gift Copies from Local Authors: In an effort to support local authors, recording artists and film makers, we accept gift copies of their work as long as they are submitted in a format we currently support. The library cannot accept imposed conditions relating to any item after its acceptance (e.g. consignment, return). Items that are not added to the collection are not returned, but rather discarded or sold. Items are considered for inclusion according to the Library’s selection criteria.
- Gifts to Local History & Archives: Gifts in this case are defined as original works or works of significant historical value being offered to the Library at no charge. We have a mandate to collect
and preserve valuable items that pertains to Hamilton’s past and its culture. The Archives will accept historical material of any medium, including: textual records; photographs and other visual records; maps, plans and architectural records; and sound recordings and oral history recordings. Valuable items on Hamilton’s past are evaluated by staff in our Hamilton Local History & Archives Department before being accepted.

In practice, this authority is delegated to the Director of Collections and the Manager of Local History and Archives. The presence of materials in the Local History and Archives collection does not constitute an endorsement of their content or viewpoints by the Library Board. The Board recognizes that this policy is carried out in compliance and with due regard for all applicable legislation.

Scope of Acquisition:
The archives will acquire historical material by donation, bequest, purchase, or transfer, regardless of medium, including: textual records; photographs and other visual records; maps, plans and architectural records; sound recordings or visual recordings; historical memorabilia and digital materials as per the collection mandate.
The Local History and Archives department will only accept material on a permanent basis, except when borrowing material for short-term loans to reproduce or to include in displays or exhibits.

Limitations of Scope:
Notwithstanding intrinsic, informational or historical value of records, Local History and Archives will acquire records, taking into consideration the following:
• the resources required to make the material available for research purposes in a reasonable period of time;
• the extent and terms of any restrictions, the legal rights and/or requests of the donor to place the records in the Archives;
• the records’ relationship to the strengths and weaknesses in the existing holdings;
• the availability of appropriate storage facilities and the physical condition of the records in relation to the probability of being able to conserve them in a reasonable period of time;
• the acquisition mandates of other institutions.

The Archives retains the right to reproduce materials by mechanical, electronic, or photographic means for security, conservation, or research purposes.

**Methods of acquisition:**

• archival materials are generally acquired by donation and not by purchase. The Archives may determine to acquire material by purchase if it fulfils a critical gap within the collection with the approval of the Chief Librarian.
• archival materials of private donors are accepted by gift, bequest, or transfer from another archival institution. A signed Deed of Gift is completed to transfer ownership and negotiated rights such as copyright of the records from the donor to the Hamilton Public Library.
• the Hamilton Public Library’s institutional archival records are retained primarily according to approved records retention policy. The Archives does not function as a repository for financial records or human resources records.
• the Archives does not accept as gifts, fonds that have been wilfully partitioned by a donor.
• in special circumstances, Local History and Archives works in partnership with local organizations where records may be acquired by loan to allow copies to be prepared for community access and digitization where copyright is retained by the partner organization. In the case of each partnership, a letter of agreement or memorandum of understanding is signed defining the scope of the project and the rights and responsibilities of all parties.
• tax receipts may be issued based on Canada Revenue Agency rules subject to external appraisal by individual(s) qualified in appraising historical records.

**Access to Local History and Archive Collections:**

Due to the rare and fragile nature of the Local History and Archives collections, access to collections housed in the Local History and Archives Department is limited to persons consulting archival material and carrying out their research in the Local History and Archives department. Within the department, staff are on hand to provide assistance and proper supervision to ensure the safe care and handling of materials.

Customers will be required to show identification and register for an archives card prior to viewing materials. Physical access to collections housed in the Local History and Archives Department is limited to customers 14 years of age and older. Users under 14 must be accompanied by a parent or guardian.
unless other arrangements have been made and authorized by the Manager, Local History and Archives.

We utilize recognized international and national archival, digitization and metadata standards to support physical and digital access to Local History and Archives collections and materials. In alignment with Library Board policy, we support the use of Creative Commons Licenses and the principle of open access with regard to digitization initiatives while upholding the terms of existing donor agreements, copyright and applicable law and legislation.

Barring the extent and terms of any restrictions, the legal rights and/or requests of the donor to place the records in the Archives, no person shall be prevented from using archival materials unless it is determined that the materials will be physically abused or used in a libellous or illegal manner.

The Library retains the right to charge for any reproduction or other research service as per the Library Board’s Fees and Fines Policy and schedule.

Materials from the Local History and Archives collection may be loaned to other institutions or organizations only under the following circumstances:

- written authorization is obtained from the Manager, Local History and Archives (or designate);
- the Archivist provides written documentation for the loan;
- the borrower ensures adequate care and handling of the material on loan. If at any time Local History and Archives determines that the material on loan is not being cared for adequately, the Manager, Local History and Archives (or designate) may cancel the loan and request the immediate return of the material.

**De-accessioning**

Material added to the Local History and Archives collection shall be held until such time as it is deemed to which no longer fit the approved acquisitions policy and is de-accessioned. All information pertaining to the de-accessioning and disposition of material will be retained in the Archives' records.

**Guiding Principles:**

- Archivists must use professional judgment when reappraising collections. Exceptions are handled on a case-by-case basis.
- Although it is an important collection management tool, reappraisal does not always lead to de-accessioning.
- To ensure consistency, the process should be systematic and thoroughly documented.
- Reappraisal and de-accessioning is a responsible archival practice for better management of collections. The process should however be transparent but may, at times, require discretion.

**Considerations:**

- Legal issues of ownership of collections (e.g., donor agreements)
- Ethical issues regarding the disposition of collections in a transparent manner
- Donor relations (i.e. being open and honest with donors when discussing the proposed de-accessioning of their gift)
- Resource allocation (i.e. cost benefit analysis before reappraising and de-accessioning a collection)
**Conflict of Interest:**
As per the Library Board’s Code of Conduct and Conflict of Interest policy, Local History and Archives staff members will not formally, through trade or purchase for their own personal use, enjoyment, or profit, collect for their personal benefit archival materials which fall within the broad acquisition mandate of Local History and Archives.

### 4.3 Copyright & Intellectual Property Policy

**Policy Level:** Library Board

**Author:** Director, Collections

**Review Period:** (Standard 4 years)

**Last Revised:** October 2017

**Key Points Summary:**
- The Hamilton Public Library (HPL) is not responsible for infringing copies made by users of the Hamilton Public Library’s copying equipment and Makerspaces. It’s the user’s obligation and responsibility to determine and satisfy copyright or other use restrictions.
- HPL respects the copyright and moral rights of authors and copyright holders and seeks to educate library customers about these rights with regard to the Library’s physical and digital collections.
- HPL staff and customers may make copies for specific purposes under the fair dealing provision of the Copyright Act.

**Purpose**
To outline the Hamilton Public Library’s role and position related to applicable Copyright and Intellectual Property legislation.

**Definitions:**
- **Copyright** is a legal means of protecting an author/creator’s work.
- **Intellectual Property** refers to the ownership of intangible and non-physical goods.
- **Fair Dealing** is a user’s right in copyright law permitting use of a copyright protected work without permission or payment of copyright royalties for the purpose of research, private study, education, satire, parody, criticism, review or news reporting, provided that what you do with the work is ‘fair’.

**Policy Details:**
HPL seeks to advocate for, inform and support the intellectual property rights of the creator as outlined within Canadian legislation while balancing the social benefit and educational value of fair use.
The majority of the material in the Library’s collections is subject to copyright. It is not the role of Library staff to interpret the Copyright Act for customers. Responsibility regarding copyright arising from the use and/or copying is the responsibility of the customer making the copy, whether the customer uses their own or library equipment.

The intellectual property laws of Canada govern the making of reproductions and/or use of some materials. Certain copying may be an infringement of copyright law. The Hamilton Public Library is not responsible for infringing copies made by users of the Hamilton Public Library’s copying equipment and Makerspaces. It’s the user’s obligation and responsibility to determine and satisfy copyright or other use restrictions (such as privacy rights, CSA standards, technical protection measures, licensing and trademark, etc.) when using HPL’s collections, equipment and software.

Fair dealing is a long-standing feature of Canadian copyright law that permits certain uses of copyright material in ways that do not unduly harm the interests of copyright owners, but which could have significant social benefits. In Canada, fair dealing does not infringe copyright and is limited to the purpose of research, private study, education, parody or satire:

- HPL staff and customers may make copies for specific purposes under the fair dealing provision of the Copyright Act. Any concerns of the legitimacy of staff copying for these purposes will be referred to the Library’s Chief Librarian or delegate.
- HPL’s copying services, whether the copy is made by Library staff or a customer, are provided without a motive of financial gain. The fee charged is intended to cover a portion of the costs of the Library.

HPL will make available copies of the Copyright Act and post signage to make customers aware of the Copyright Act.

Hamilton Public Library retains copyright for content created by the Hamilton Public Library including the digitization of Local History & Archives collections. When content is created by the Hamilton Public Library (and HPL is the copyright holder), it is covered under a Creative Commons Attribution-Non-commercial 2.5 Canada License. This material can be used for personal or research use without prior permission. HPL requests attribution in the personal and scholarly use of the material. A credit line, “Courtesy of Local History & Archives, Hamilton Public Library” should be provided if material reproduced from the Library’s collections is published for commercial or non-commercial purposes in print, online, or in other media. Commercial use including but not limited to: reproductions, redistribution, publication, or transmission whether by electronic means or otherwise without prior written permission from the Hamilton Public Library is prohibited.

Local History & Archives is a contributing partner to The Commons on Flickr, which contains images from photograph collections held in cultural heritage institutions around the world. All images from Local History & Archives featured on The Commons have “no known copyright restrictions,” either as they are in the public domain or the copyright is owned by the Hamilton Public Library.
4.4 Partnership Policy

Policy Level: Library Board
Author: Chief Librarian/CEO
Review Period: 4 Years
Date Approved: February 2018

Policy Purpose
This policy provides an overall framework for the Hamilton Public Library to manage existing and new partnerships. The goal is to ensure HPL has strong community partnerships that are focused on advancing Library, City and community goals.

Reasons for Engaging in Partnership
The Hamilton Public Library engages in partnerships to:
1. Extend and enhance Library services and programs in a sustainable way
2. Increase awareness of Library services and programs
3. Support the City of Hamilton and broad based community initiatives that advance Hamilton’s economic, social and cultural richness
4. Enhance coordination and reduce overlap in efforts between agencies serving Hamilton

Definition
A Partnership is defined as a mutually beneficial collaboration between the Library and an external organization(s). Partner contributions provide support for and/or promote activities, services, events and programs to the public in ways that are mutually beneficial.

Criteria for Engaging in Partnerships
The following criteria govern how HPL approaches partnerships and related activities. Not all criteria will apply in every case, however, they will be used to inform decision making. Priority will be given to organizations and initiatives that meet multiple criteria from the following list:
1. Aligns with our core organizational values (Intellectual Freedom, Inclusiveness, Innovation, Respect and Accountability)
2. Shares common goals or objectives with HPL
3. Is committed to collaborative and shared planning
4. Is committed to ongoing evaluation of progress and continuous improvement
5. Is committed to collective impact and long-term strategies
6. Is committed to looking for mutual benefit and a reciprocal approach to levels of commitment
**Partnership Levels**

There are three different levels of partnership. Generally, the approach will be to demonstrate success and establish trust on demonstration projects before engaging in long term major commitments.

- The level of oversight and reporting will be proportional to the level of commitment to the partnership.
- While some flexibility in working with partners is understood and encouraged, we need to keep in mind that the levels have been developed to encourage mutually beneficial relationships with partners. The stronger the alignment and the greater the partner’s commitment will mean greater commitment from HPL.
- Staff procedures specify reporting requirements for each and other requirements around communication.

**Local Community Partnership**

A Local Community Partnership between library branches/departments and organizations/groups located in their community. These partners may be local groups, organizations or service clubs that align with HPL and community priorities. These partnerships do not require a formal Memo of Understanding (MOU).

- **HPL Commitment**: Local Community Partners (pending room/staff availability) are allowed up to 4 free meeting room bookings a year and/or 4 Library provided programs.
- **Authorization**: A Branch/Departmental Manager is responsible for signing off on Local Community Partnerships.

**Collaborative Partnerships**

A Collaborative Partnership also aligns with HPL and community priorities, however, they also work collaboratively with HPL to support Library program offerings and/or otherwise contribute to community initiatives the Library is formally participating in. For Collaborative partners, there is a shared commitment from both parties to shared project planning, evaluation and tracking.

- **HPL and Partner Commitments**: An annual MOU that outlines the goals and commitments of both parties will be completed. Examples of activities that could be included in an MOU are: shared programs, joint promotion, collaboration on community initiatives and joint grant applications. Generally, the focus will be on joint in-kind contributions, however, financial support for Library programs could also be included. The MOU will cover reporting accountability and a dispute escalation process that includes both parties.
- **Authorization**: A Library Director is responsible for signing off on Collaborative partnerships. Collaborative Partnerships will be included in the Annual Partnership Report to the Library.

**Strategic Partnerships**

A Strategic Partnership is distinguished by its long term duration and level of commitment between HPL and the partner. Strategic Partners involve either a long term commitment in terms of space, service alignment, program development or financial commitment. Existing examples of Strategic partnerships include the HWDSB & HWCDSB, Experience Annex and City School by Mohawk. Requirements for Strategic partners include:
• **HPL and Partner Commitments:** An annual Memo of Understanding (MOU) that outlines the goals and commitments of both parties will be completed. Examples of activities that could be included in an MOU are: shared programs, joint promotion, collaboration on community initiatives, financial commitments and joint grant applications. The MOU will cover reporting accountability and a dispute escalation process that includes both parties.

• **Authorization:** The Library Board will approve Strategic partnerships. Strategic Partnerships will be included in the Annual Partnership Report to the Library.

### 4.5 Program Policy

**Policy Level:** Library Board  
**Authors:** Directors Public Services & Director of Digital Technology & Youth Services  
**Review Period:** 4 Years  
**Approval Date:** November 2015

**Policy Statement**

The Program Policy outlines the principles and criteria for programs at Hamilton Public Library and provides guidelines for staff developing and/or delivering programs. A program is defined as a coordinated activity or event with a specific purpose, such as highlighting collections, services or sharing knowledge and expertise.

Hamilton Public Library considers the offering of programs to be an integral part of its mission and strategic priorities and strives to offer programs that complement library services and collections offered to the community. Library programs provide an alternate way for people to learn and obtain information. Programs in public libraries encourages participation in civic life and serves to address the cultural and leisure interests of our community.

The Library may present programs that some individuals find controversial. Holding a program does not indicate an endorsement of its contents by the Hamilton Public Library, but rather is an affirmation of the principle of intellectual freedom as embodied in the Canadian Library Association Statement on Intellectual Freedom.

**Purpose of Library Programs**

Programs expand the Library’s visibility in the community and offer staff opportunities to engage community members. The Hamilton Public Library provides programs that support the Library’s mission, values, goals and strategic priorities. Library programs are designed to:

- Support lifelong learning including literacy, numeracy and problem solving in a technology rich environment (digital and interface literacy).
- Provide information, education and recreation opportunities to Library customers.
- Promote the use of library services and collections.
- Nurture community cohesion and reduce social isolation by bringing members of the community together.
- Celebrate our history, heritage and promote cultural awareness.
• Strengthen partnerships with a wide variety of organizations.
• Attract new and unique audiences to the Library.

Priority to Offer Free Programs
The majority of programs offered by the Library are free to attend. Charging for programs creates a participation barrier that excludes some community members. In addition, we need to be mindful of the administrative costs associated with collecting a registration entry fee.

Charging for Programs
In some cases there is a need to charge for a program. Charging for a program must receive approval from the Library’s Administration Team. To offset obstacles created by charging, where appropriate, free tickets will be made available to customers or a similar type of program may be offered free of charge. Programs are designed to be informative learning opportunities, not a vehicle for commercial ventures.

Scope
This policy applies to all Library organized, co-sponsored and partnership events offered to the public by the Hamilton Public Library. This policy does not apply to:

• Events that are developed for special purposes such as fundraising, donor recognition, media conferences or community festivals.
• Programs offered by other organizations on library premises where space is rented and governed by the terms and conditions of the Library’s Meeting Room Rentals policy.

Program Development
Programs are developed in accordance with the Hamilton Public Library’s program strategy and framework.

• Library program development and planning is carried out on a scheduled basis.
• The Library may set age or other guidelines for participation in a program, such as a children’s program, when the program is designed and best suited for a particular audience.
• Liability insurance is required for all programs taking place in Library premises and will be purchased through the library prior to the date of the activity/event. Alternatively, for those organizations that already have insurance, proof must be provided in advance with the Library and City of Hamilton named on the certificate.
• Programs reflect community needs and interests.

Program Delivery
Programs will be offered by employees with program-related expertise or topic specific training, or by invited speakers and experts from the community including:

• Authors
• Performers
• Staff or members of community partner agencies
• Volunteer presenters with recognized program-related credentials
Library staff will be available to welcome customers to the branch and to promote upcoming programs. Programs are evaluated and designed with measurable outcomes. The Library reserves the right to cancel programs as deemed necessary and will make every effort to notify the public in advance.

**Suggestions for Programs**

Library customers are encouraged to suggest topics for future programs. These suggestions will be considered in light of the program criteria, strategic priorities and library resources. Not all suggestions will be utilized. The program suggestion form is available on the Library’s website.

### 4.6 Displays and Exhibits Policy

**Policy Level:** Library Board  
**Author:** Director Public Service Communications  
**Review Period:** 4 Years  
**Approval Date:** April 2014

**Purpose**  
This policy governs the display of art and other exhibits at all locations of the Hamilton Public Library.

**Policy**  
The Library provides occasional exhibit space to individuals or groups wishing to display works of art, crafts and other relevant objects. This free exhibit space enables Library visitors to participate in the creative life of the community and presents artists with a valued avenue for exhibiting their work. The Hamilton Public Library Board reserves the right to refuse to display any items considered to be inappropriate and/or unsuitable for a library environment.

- All exhibitors must complete the Hamilton Public Library Displays and Exhibit Application process to be considered. The application must include digital images of the proposed exhibit.
- The Library does not pay exhibit fees. Exhibitors are responsible for obtaining their own damage insurance for the contents of their exhibit.
- Permission for an individual or group to exhibit is generally for a single occurrence and does not imply the right to repeat exhibits.
- Hamilton Public Library does not allow advertisements or solicitations for recruitment, business or fundraising, nor the sale of items. Prices may not be attached to individual works; however, the exhibitor may leave a price list at the information desk or supply a sign listing a contact person, website address and telephone number where visitors can inquire about purchasing information. The Library strives to work collaboratively with exhibitors to maintain the integrity of exhibits; however, the Library reserves the right to alter, move, cancel and/or remove an exhibit that is in contravention of this or other library policies. Displays that contravene federal, provincial or municipal laws will not be accepted.
Selection Criteria
There are a number of criteria that library staff consider when approving an exhibit. Exhibits should be:
1. Responsive to HPL’s mission and values as well as the diverse interests of the community.
2. Suitable for showing in a public library (i.e. extremely erotic or gratuitously violent depictions are not acceptable)
3. From artists or groups who have not recently displayed at the Library. The Library may approve repeat exhibits by individual artists or groups but prefer giving opportunities to as many artists as possible.
4. From Hamilton and area artists and groups, preferably but not exclusively.

Exhibit Areas
The main exhibit areas for displays at the Central Library are the 1st and 4th floors (Gallery4 and Gallery4 Annex).

Gallery4
Gallery4 provides artists with display space. Exhibits are generally approved for one month and represent a variety of media, techniques, subjects and styles.    2. A polished application including resume and artist statement.

All exhibitors must complete the Hamilton Public Library Displays and Exhibit Application process to be considered. The application must include digital images of the proposed exhibit.

Central Library Meeting Rooms
Individuals or groups wishing to use Central Library’s meeting rooms to exhibit their artwork must book and pay for the space as per the Meeting Rooms Policy.

Branch Libraries
Each branch library has different display space. Interested parties should contact the Branch Manager for information.

4.7 Naming Opportunities Policy

Policy Level: Library Board
Author: Director, Finance and Facilities
Review Period: 4 Years
Approval Date: March 2018

Policy Purpose
To provide the opportunity for public recognition of individuals or organizations that have made a lasting contribution to the development of library services in the City of Hamilton or to recognize significant financial donors.

Key Points Summary
- The naming of a room or facility in recognition of a significant contribution or financial donor is a decision that requires special consideration by the Library Board.
- Requests for naming a room after an individual or organization must be made to the Hamilton Public Library Board in writing for formal consideration.
- The Library Board may initiate the naming of a room in recognition of a significant financial contribution.

Policy Details
The naming of a room or facility in recognition of a significant financial donor or individual is a decision that requires special consideration by the Library Board of the value and benefits of such recognition and the suitability of the room or facility for such recognition purposes.

Recommendations for the naming of a room or facility after an individual may be considered to honour the individual’s contribution to the Hamilton Public Library (HPL). The naming of a room or facility may also be considered in recognition of a significant financial donation to the Hamilton Public Library.

Unless specified in a separate agreement, rooms or facilities named under this policy shall be reviewed by the Hamilton Public Library Board every five (5) years, or earlier at the request of the Board, at which time Board approval will be required to renew the named room/facility.

1. Naming a room or facility after an individual or organization

Requests for naming a room after an individual must be directed to the Hamilton Public Library Board in writing.

The letter of request shall include a short biography of the honouree, lasting contributions to the Hamilton Public Library, community involvement, and a description of exceptional achievements as appropriate (e.g. philanthropy, leadership, professional excellence, distinguishing honours).

The letter will be reviewed by the Library Board, and, if required, an assessment of the request will be prepared by the Director of Finance & Facilities, in consultation with HPL’s Senior Leadership Team. Included in the assessment will be a report on the physical condition of the room or facility to ensure that it will project a positive image of the individual or organization.
If approved, the Library Board will make a recommendation for acceptance of the request and respond to the nominator in writing. To proceed with the naming opportunity, the Director of Finance & Facilities will be authorized to initiate the following actions:
   a) Determine specific placement of a plaque/signage for the designated room/facility
   b) Prepare draft wording and a cost estimate to produce a plaque/signage
   c) When final copy and design is approved by the nominator, produce and install the plaque/signage
   d) Determine what type of ceremony/reception, if any, is to accompany installation of the plaque/signage in recognition of the naming (or, in some cases, re-naming)

2. **Naming a room or facility in recognition of a significant financial donation**
   The Library Board may initiate the naming of a room for fundraising purposes. Recommendations for naming a room after an individual or organization in recognition of a significant financial donation will be presented to the Library Board after the Director of Finance & Facilities prepares an evaluation of the naming opportunity.

Requests to name a room or facility to recognize a donation or bequest are evaluated by the following criteria:
   - The name should be appropriate for a public library.
   - In the case of an individual, agreement to the naming proposal must be confirmed with the individual to be named, and if deceased, by the immediate family.
   - The physical condition of the room or facility must be assessed to ensure that it projects a positive image of the donor.

The proposed naming opportunity should complement the purpose of the donation. When a naming opportunity is to be established as part of a capital campaign, the monetary value of the donation must be considered in relationship to the entire building/renovation cost and not just the portion that is raised by a fundraising campaign.

To proceed with the naming opportunity, the Director of Finance & Facilities will be authorized to initiate the following actions:
   a) Determine specific placement of appropriate signage for the designated room or facility
   b) Prepare draft wording and a cost estimate to produce the signage
   c) When final copy and design is approved by the donor, produce and install the signage
   d) Determine what type of ceremony/reception, if any, is to accompany installation of signage and/or opening/renaming ceremonies of the room/facility.

Generally, disposing of goods, by sale will only be undertaken when the estimated value of the items exceeds the total cost of selling the items (including costs of staff time). When donating items to external agencies, the receiving agencies will generally be responsible for the costs of pick-up. The disposal of surplus goods will be consistent with the Library’s Conflict of Interest Policy.

Cooperative Purchasing
The Library staff may participate with other governments, agencies or public authorities in cooperative venture or contracts where the best interest of the library would be service. The library shall ensure that the practices of such groups are consistent with the principles in the By-Law and other relevant legislation. See By-Law Policy #12 – Cooperative Procurements

Sustainable Purchasing
The By-Law states in Section 1 (4) that one of the objectives of the policy is to:
“Procure Goods and/or Services with due regard to the preservation of the natural environment and to encourage the use of “environmentally friendly” products and services, as supported by Vision 2020 goals and strategies”

The Library believes in the use of environmentally sustainable products and practices. The Library will consider best value (quality, price, service and innovation), in addition to the social and ethical impacts of the products.

Total costs of goods may reflect environmental and ethical impacts of products as specified in procurement documents.

4.12 Records Management Policy

Policy Level: Library Board
Author: Director, Digital Technology and Creation
Review Period: 4 years
Last Revised: January 2018

Policy Purpose
To ensure that physical and electronic records created or received by Hamilton Public Library (HPL), in the course of carrying out library business, are managed appropriately throughout the records' life cycle to facilitate the accessibility, accuracy and security of information to meet operational and legislative requirements.

Key Points Summary
- This policy applies to physical and electronic records that are created or received by the Library Board, employees or volunteers of HPL, including records received from external sources, in the course of carrying out library business.
- This policy does not apply to the digital or physical materials acquired for public collections, or to historical and archival items acquired for the Local History and Archives collections.
- Records will be managed to ensure they are available, accessible, and maintained to meet legislative requirements, and to support operations.
- Records (permanent, archival, official, and transitory) will be retained, preserved, protected, secured and disposed of appropriately.
- The CEO/Chief Librarian and the Directors are accountable and responsible for the administration of, and compliance with, the Records Management Program.

Definitions
Archival Record: Records determined to have historical and cultural value to the library to warrant continuous preservation. These records are transferred to Local History and Archives at the end of their retention periods.
Classification Scheme: A document/schema that identifies and classifies records, usually by business function across different departments or groups, and provides the record's description, control, links, disposition methods and access status.
Disposition: The final action carried out on a record after its retention period has ended. This may include retaining, archiving, or destroying the record.
**Life Cycle:** Similar to a biological life cycle, a record’s life cycle is a record's creation or receipt, use, maintenance, retention, and disposition.

**Permanent Record:** Records determined to have historical, administrative, legal, or other value to the library to warrant continuous preservation.

**Record:** Recorded information in any format or medium, created, received, and maintained as evidence in pursuance of legal obligations or in the transaction of business. This may include paper and electronic records, minutes, correspondence, financial statements, maps, drawings, photographs, etc.

**Records Management:** The field of management responsible for managing records in an efficient and systematic manner throughout its life cycle.

**Record Series:** A group of identical or related records that are normally used and filed as a unit and that permit evaluation as a unit for retention scheduling purposes.

**Retention Period:** The period of time during which records must be kept before disposition. The retention period is often broken into active and inactive stages, and is determined by legislative, regulatory, and operational requirements.

**Retention Schedule:** A timetable that identifies record series and the length of time they must be retained and their final disposition.

**Transitory Records:** Records of a temporary nature that have limited usefulness. Transitory records are not required to meet legislative obligations or to sustain administrative or operational functions.

**Policy Details**

In the course of managing records, Hamilton Public Library will comply with legislated requirements and professional standards including: the Municipal Freedom of Information and Protection of Privacy Act, the Public Libraries Act, the Employment Standards Act, Occupational Health and Safety Act, and the Income Tax Act.

All records created by Hamilton Public Library or in the organization’s custody are the property of the library and are managed as a corporate resource, regardless of medium or format.

**Limited collection:** Where there is no legislative requirement to retain records or there is no compelling business reason to do so, HPL will limit its collection of information and what is contained in records. For example, when verifying identification, library staff will check identification but not record information such as driver’s license numbers.

Hamilton Public Library will ensure that all records created by the library or in its custody are:

- Available, accessible and maintained to support management and strategic decision-making and to meet operational and legislative requirements;
- Secured and properly protected against damage or unauthorized access;
- Retained and not destroyed before the defined retention periods;
- Disposed of in accordance with established retention schedules; and destroyed in a secure manner that considers confidentiality requirements.

**Scope**

This policy applies to the life cycle of all records in all formats, digital or physical, and will be applied consistently across all media.
This policy applies to all records that are created and/or used by the Board, employees of the Library and volunteers. It also applies to records from external sources such as other governmental bodies, businesses and the public when such records are maintained by the Library as a part of its administrative and operational functions.

This policy does not apply to items in the Library’s digital or physical materials collections acquired solely for use by the public.

This policy does not apply to historical and archival materials or items acquired by the Library as part of its Local History and Archives collections.

Disposition of Records
Records that have reached the end of their retention period and are no longer needed for another valid reason will not be retained and will be destroyed.
Transitory records, unless they have become necessary for legal or administrative purposes, will not be retained and will be destroyed.
Records that are classified as permanent or archival records have long-term value to the library, such as for recording its corporate, service and cultural history. These records will be preserved and protected to ensure their safety, availability, and recovery. As such, Permanent records will be maintained by the department the record is created by, while archival records will be transferred to the Local History and Archives department and will follow the Local History and Archives Policy.
Records will not be retained beyond their retention period without a valid reason authorized by the Chief Librarian/CEO or designate.
The destruction of records will be done in a secure and confidential manner and will be carried out in accordance with established procedures.

Official Records
Only one official record, either physical or digital, will be maintained for the purpose of ensuring retention requirements.
Where an original physical record is not required by law, or is not classified as a permanent record for preservation, the digital record will become the official record for retention purposes. The physical record will be then considered transitory and will, therefore, be disposed of.
Duplicate records that are identified in the retention schedule (such as copies used as supporting documents to a report, or when the original record is submitted to the City of Hamilton) are considered exceptions and are not transitory. They will be retained in accordance with the retention schedule.

Records in Electronic Format
The electronic/digital records within a record series are an alternative format or delivery of the records themselves, with no change in the transaction or content of the record.

Electronic records are governed under the same rules of the library’s records management policy, which addresses format, content, organization, retention, disposition, and backup.
The introduction of new technology will require updates to procedures and practices pertaining to electronic records which otherwise will be reviewed and changed following the same revision timeframe as this policy.

**Accountability**
The CEO/Chief Librarian is responsible for ensuring that records management requirements are being met and that they reflect the library policies and priorities.
The Director, Digital Technology and Creation is accountable to the Chief Librarian/CEO for the general administration of the records management function.
Directors are accountable to the Chief Librarian/CEO for the administration of their respective records series as established in the retention schedule.
Directors are accountable to the Chief Librarian/CEO for ensuring compliance with the Records Management Policy and procedures in their respective areas.

### 4.13 Security Camera Policy

**Policy Level:** Library Board  
**Author:** Director of Finance & Facilities  
**Review Period:** 4 years  
**Last Revised:** October 2017

**Policy Purpose:** The Hamilton Public Library Board strives to maintain a safe and secure environment for customers and staff while protecting individual rights to privacy.

The Library recognizes the use of security cameras at Library facilities as part of the Library’s overall strategy to ensure the safety of persons and property. This policy and accompanying procedures will adhere to privacy requirements set out in the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA). In addition, this policy has been developed to follow the guidelines set out by the Information and Privacy Commission of Ontario.

**Key Points Summary:**
- This Policy applies to all types of camera surveillance systems, surveillance monitors and camera recording devices that are used for security purposes at Library managed facilities. This policy does not address instances where library staff record a specific event (such as a program, or presentation).
- Security camera systems are a resource used by the Hamilton Public Library Board within the Board’s jurisdiction to promote the safety of customers, staff and community members. Where deployed for that purpose, these systems also help to protect library property against theft or vandalism and can assist in the identification of intruders and of persons breaking the law.
- In the event of a reported or observed incident, the review of recorded information may be used to
assist in the investigation of the incident. The Library will maintain control of and responsibility for the security camera system at all times.

- Employees and service providers are expected to review and comply with this Policy, the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA), and other relevant statutes in performing any duties and functions that are related to the operation of the security camera program.
- The Chief Librarian will issue administrative procedures in support of this policy.

Definitions:

**IPC** – Information and Privacy Commission of Ontario. IPC oversees compliance with the privacy protection provisions of MFIPPA and conducts investigations into privacy complaints. IPC also provides guidance regarding Ontario's access and privacy legislation.

**MFIPPA** – Municipal Freedom of Information and Protection of Privacy Act. The purpose of the Act is to provide a right of access to information under the control of institutions and to protect the privacy of individuals with respect to personal information about themselves held by institutions.

**POLICY DETAILS:**

Collection of Personal Information Using a Security camera coverage System

Any recorded data of an identifiable individual qualifies as "personal information" under MFIPPA. Security cameras can be used to collect personal information about identifiable individuals. The Library has determined that it has the authority to collect this personal information in accordance with the MFIPPA. Pursuant to section 28(2) of the Ontario MFIPPA, no person shall collect personal information on behalf of the Library unless the collection is expressly authorized, used for the purposes of law enforcement or necessary to the proper administration of a lawfully authorized activity.
Planning Considerations for Security Cameras
Before deciding if a facility warrants security cameras, the Library will:
1. Conduct consultations with relevant stakeholders as to the necessity of the proposed security camera program at the facility.
2. Endeavour to ensure that the proposed design and operation of the video security surveillance system reasonably minimizes privacy intrusion.

Design, Installation and Operation of Security Cameras
When designing a security camera system and installing equipment, the following must be considered:
1. Given the open and public nature of the Library's facilities and the need to provide for the safety and security of employees and visitors who may be present at all hours of the day, the Library's security camera coverage systems may operate at any time in a 24-hour period.
2. The ability of authorized personnel to adjust cameras shall be restricted so that authorized personnel cannot adjust or manipulate cameras to overlook spaces that are not intended to be covered by the security camera coverage program.
3. Equipment shall never monitor the inside of areas where the public and employees have a higher expectation of privacy (e.g. change rooms and washrooms).
4. Reception/recording equipment must be located in a strictly controlled access area. Only authorized personnel shall have access to the controlled access area and the reception/recording equipment.
5. The annual maintenance program for reception and recording equipment will ensure that the equipment is operating properly. Library staff will endeavour to promptly follow-up issues or concerns regarding the performance of equipment.

Notice of Use of Video Systems
In order to provide notice to individuals that video is in use:
1. The Library shall post signs, visible to members of the public, at all entrances and/or prominently displayed on the perimeter of the grounds under security camera coverage. On at least one sign at each location with security camera coverage the following information will include:
   - the legal authority for the collection of personal information;
   - the principle purpose(s) for which the personal information is intended to be used;
   - and the title, business address, and telephone number of someone who can answer questions about the collection.
2. Additional signs will be used to support awareness of the security camera program.
3. Information about the security camera program will be included on the Library's website.

Security Camera Monitors and Records
1. Staff at each location may be authorized to monitor real-time camera feeds as is reasonably necessary to implement this Policy. Every reasonable attempt will be made to ensure security camera monitors are not in a position that enables the public and/or unauthorized staff to view them.
2. Only the Chief Librarian, Director of Finance & Facilities or other authorized delegates may review recorded information from the system.

3. Security camera footage will not be used to monitor customers’ use of Library spaces or employee performance. Circumstances which warrant review will be limited to security incidents that have been reported, or in the investigation of a potential crime, or identifying individuals associated or potentially involved with a crime.

4. All storage devices will be located in a controlled-access area. Access to the storage devices will be limited to authorized personnel. Logs will be kept of all instances of access to, and use of, recorded material to enable a proper audit trail.

5. The Library will take all reasonable efforts to ensure the security of records in its control/custody and ensure their safe and secure disposal.

6. Security camera systems will be set-up to ensure regular recordings are cleared or overwritten on a regular basis. Normally, systems will be set-up to maintain records for up to 30 days. In some cases system capacity may limit the time records are maintained. In the event that authorized staff need to remove information from the system (still images, video footage) for authorized reasons, the resulting record(s) will be maintained for at least one (1) year.

7. When records are released to law enforcement officials, where possible, authorized staff will limit the release of information about individuals deemed not to be involved in the investigation. This includes, but is not limited to, zooming images in on suspects in question, obscuring identifiable features of other individuals and limiting the time frame of video coverage provided.

**Logs**

Each location must maintain a log on the Library’s Intranet that records all activities related to security cameras and records. Activities include all information regarding the use, maintenance, and storage of records and all instances of access to, and use of, recorded material, including the name of the person accessing the system. All logbook entries will detail staff name, date, time and activity.

**Access Requests Process**

All requests to view security camera coverage will be recorded in the Log and will be directed to the Chief Librarian or designate. Requests will be reviewed based on Library policy and relevant legislation including MFIPPA.

**Law Enforcement Access Request**

If access to a security camera coverage record is required for the purpose of a law enforcement investigation, the requesting Officer must complete the *Disclosure of Personal Information Form* and forward it to the Chief Librarian, or designate. The Chief Librarian or designate will provide the recording for the specified date and time of the incident requested by the Law Enforcement Officer, subject to MFIPPA exemptions.

The Chief Librarian, or designate, will record the following information in the facility's log:

1. The name of the Officer and badge number
2. Investigation number and reason for the request
3. The date and time of the original, recorded incident including the designated name/number of the applicable camera and DVR
4. The name of the authorized personnel at the time of the incident
5. The time and date the copy of the original record was sealed
6. The time and date the sealed record was provided to the requesting Officer
7. Whether the record will be returned or destroyed after use by the Law Enforcement Agency.

**Viewing Images**
When recorded images from the cameras must be viewed for law enforcement for investigative reasons, this must only be undertaken by an authorized personnel, in a private, controlled area that is not accessible to other staff and/or visitors.

**Inquiries from the Public Related to the Security Camera Policy**
A staff member receiving an inquiry from the public regarding the Security Camera Policy shall direct the inquiry to the Chief Librarian's Office.

**Accountability - Roles & Responsibilities**

**Chief Librarian** - The Chief Librarian is responsible for the overall Library video security surveillance program and is responsible for the Library's privacy obligations under the Ontario Municipal Freedom of Information and Protection of Privacy Act and the Policy. Upon request, a report on the security camera program will be provided to the Board. Only the Chief Librarian and specifically designated staff will have the authority to review recorded camera coverage and authorize the release of images from the system for investigations or other purposes.

**Director of Finance & Facilities** - The Director of Finance & Facilities or designate is responsible for coordinating security threat assessments and advising on installations. Ensures installations and operations are done in accordance with this Policy. The Director of Finance & Facilities works with the Director of Digital Technology to ensure camera systems have appropriate security measures in place and the technical aspects of the system are periodically audited. The Director of Finance & Facilities ensures that authorized Facilities and Security staff are familiar with this Policy and that training is provided to all authorized personnel. The Director of Finance & Facilities oversees the day-to-day operations of security camera systems at the Central Library.

**Branch Manager** - The Branch Manager of a facility having security cameras is responsible for the day-to-day operation of the system in accordance with the Policy. The Branch Manager’s responsibilities include ensuring proper signage is in place, logs are maintained, monitors are only positioned in appropriate locations and that only authorized staff have access to the system. The Branch Manager ensures that authorized staff are familiar with this Policy and have adequate training. The Branch Manager ensures problems with the system or policy violations are promptly reported. The Branch Manager refers all requests to view recorded camera coverage to the Chief Librarian or designate.
**Personnel Authorized to Operate Video Equipment**
Only authorized personnel shall be permitted to operate security camera coverage systems.

**Unauthorized Access and/or Disclosure (Privacy Breach)**
Any Library employee who becomes aware of an unauthorized disclosure of a video record in contravention of this Policy, and/or a potential privacy breach has a responsibility to ensure that the Chief Librarian is immediately informed of the breach.

The following actions will be taken immediately in accordance with HPL's procedures for managing a privacy breach:

- Upon confirmation of the existence of a privacy breach, the Chief Librarian or designate will notify the Information and Privacy Commission of Ontario (IPC).
- HPL staff shall work constructively with the IPC staff to mitigate the extent of the privacy breach, and to review the adequacy of privacy protection with the existing Policy.
- The Chief Librarian, or designate in consultation with the Director of the department in which the breach of Policy occurred, shall investigate the cause of the disclosure with the goal of eliminating potential future occurrences.
- The departmental Director shall inform the Chief Librarian, or designate, of events that have led up to the privacy breach.
- The staff member shall work with the departmental Director and the Chief Librarian, or designate to take all reasonable actions to recover the record and limit the record's disclosure.
- The Chief Librarian, where required, shall notify affected parties whose personal information was inappropriately disclosed.
- A breach of this Policy may result in disciplinary action up to and including dismissal. A breach of this Policy by service providers (contractors) to the Library, may result in termination of their contract.

**4.14 Cash Handling Policy**

Policy Level: Library Board
Author: Director, Finance & Facilities
Review Period: 4 years
Last Revised: October 2017

Policy Purpose: The purpose of the Cash Handling Policy is to define the acceptable levels of control for Cash Handling operations for all Library locations to ensure clear and consistent practices within the Library for the handling of cash. This policy is designed to avoid mishandling or fraudulent activity in the handling of cash and to prevent and minimize the risk to employees when handling cash.

**Key Points Summary:**
- Promote proper and consistent cash handling practices across the Library;
- Establish a system of internal controls for cash handling to prevent mishandling of such funds;
• Assist in strengthening the security over cash receipts;
• Ensure an appropriate segregation of duties exists;
• Ensure appropriate safeguarding of cash

**Definitions:**

Bank Deposits – defined as consisting of coin, currency, cheques, and money orders.

Cash - defined as coin, currency, cheques, money orders and credit/debit card transactions.

Cash Float – funds used for the purpose of making change for a cash transaction.

Cashier - defined as any employee who performs the function of receiving, transmitting, safeguarding and/or depositing Library cash.

Point of Sale System – A computer used in place of a cash register to record transactions, handle credit and/or debit payments and print receipts and reports.

PeopleSoft Financial System – Accounting software utilized by the Library to record financial transactions.

Refund – A refund is defined as the exchange of monetary funds, debit transactions, credit card transactions or payment by cheque by the customer to the Library for goods or services that, after processing and settlement, has been mutually agreed to by the customer and Library that the repayment of a sum of money is required.

Segregation of Duties – Internal control concept in which the same employee does not have responsibility for incompatible activities such as handling cash and recording and reconciling transactions.

Transaction Log – Manual record used to record transactions.

Void - A void is defined as no exchange of monetary funds, debit transactions, credit card transactions or cheque payment by the customer to the Library for goods or services that, after it has been authorized but before it has been settled, has been mutually agreed to by the customer and Library that said transaction should not be processed.

**POLICY DETAILS:**
This policy applies to all Library staff, volunteers, students, and business partners who accept cash funds on behalf of the Library and whose financial transactions are captured within the Library’s financial systems.
This policy does not include controls pertaining to the use of petty cash funds.

Failure of staff to comply with this Cash Handling Policy could result in disciplinary action.

**Segregation of Duties**

No single person shall handle a transaction from beginning to end. No single person should have responsibility for both collecting cash and:

- Opening the mail;
- Depositing cash receipts;
- Recording or approving journal entries within the PeopleSoft Financial System;
- Performing bank reconciliations;
- Issuing invoices or posting payments within the PeopleSoft accounts receivable module;
- Initiating, approving or recording accounts receivable write-offs or other adjustments;
- Reconciling the numerical continuity of manual customer receipts, where applicable; and
- Using discretion as to whether a related charge will be levied and / or the amount of the charge.

Where segregation of duties is not practical, additional compensating controls and mitigation practices such as managerial oversight are required to reduce the risk of loss.

**Receiving and Recording Cash Payments**

An incomplete record of cash transactions and adjustments provides an opportunity to misappropriate cash and omit the shortage from the accounting records.

All cash payments should be entered into the cash register or point of sale system immediately upon receipt from the customer. Where it is not practical to use a cash register or point of sale system, the cash payment should be recorded using pen in a transaction log which documents at a minimum the date, amount, type and purpose of the payment received.

A receipt should be printed from the cash register or point of sale system and provided to the customer for all payments received. A manual receipt should be prepared where it is not practical to use a cash register or point of sale system.

**Refunds and Voided Transactions**

Lack of documentation and management oversight provides an opportunity to process an unfounded refund or void transaction for cash and misappropriate the funds. All refunds and voided transactions should have the following supporting documentation:

- Transaction date;
- Customer name, address, phone number and signature;
- Original customer receipt (where available);
- Reason for the refund or voided transaction;
- Amount and form of payment;
- Signature of the cashier issuing the refund or void; and
• Signature of the supervisor approving the transaction.

Total refunds and voided transactions appearing on the cash register summary tape, point of sale system report or manual transaction log at the end of the cashier’s shift should be reconciled to the supporting documentation outlined above.

Management should investigate refunds and voided transactions for which no supporting documentation exists. Refunds should be returned using the same payment method as the original payment. For example, if the original payment was made using a VISA credit card, the refund must be returned to the same VISA credit card.

**Receipts Reconciliation**

Lack of management oversight and a proper receipts reconciliation process creates an opportunity to misappropriate cash and conceal the shortage. Cash, cheque, debit and credit card receipts on hand should be counted and reconciled to amounts recorded in the cash register, point of sale system or transaction log.

Cash appearing on the cash register summary tape, point of sale system report or manual transaction log covering the shift period should be compared to the actual amount of cash on hand once the float balance is removed. Cash shortages or overages should be identified and explained. The receipts reconciliation should be documented, re-performed and reviewed by management and signed by both the cashier and management as evidence that the reconciliation is complete and accurate. Where it is not practical for management to review the receipts reconciliation, a second employee who did not participate in the particular cash handling activities may act on management’s behalf.

Management should summarize cash shortages and overages by date and amount. Management should review this summary at least on a monthly basis in order to identify trends or significant cumulative discrepancies. Significant shortages and overages should be brought to management’s attention, investigated, documented and resolved. At a minimum, documentation should contain a description of steps taken to investigate the shortage or overage and what action (if any) was taken by management.

**Bank Deposits**

Large amounts of cash stored on-site for an extended period of time provides an opportunity to misappropriate, skim or lap funds.

All funds should be deposited intact. No cash receipts should be retained or expended to pay invoices or miscellaneous expenses, replenish petty cash or make loans or advances. Cash back for debit or credit card purchases must not be allowed. Cash awaiting deposit should be stored in a secure location with limited access.
Cash appearing on the cash register summary tape, point of sale system report or manual transaction log covering the deposit period should be compared to the actual amount of cash on hand. Differences that were not previously identified as part of the receipts reconciliation process should be brought to management’s attention, investigated, documented and resolved. The deposit reconciliation should be reviewed by management and signed by both the employee and management as evidence that it is complete and accurate.

**Bank Reconciliation**
Lack of a bank reconciliation process creates an opportunity to misappropriate cash from the bank deposit and not detect the discrepancy.

Funds deposited should be recorded in the PeopleSoft Financial System and reconciled to bank statements at least on a monthly basis.

Point of sale system transactions should be automatically downloaded into the PeopleSoft Financial System. Manual journal entries are required to record cash register and transaction log activity into the PeopleSoft Financial System. Each branch should forward pertinent documentation to the Business Office in order to prepare journal entries.

The Business Office should perform, document, review and sign off on bank reconciliations by the end of the month following the month being reconciled. Any discrepancies between funds deposited and bank activity should be investigated and resolved with assistance from the branch.

**Safeguarding Cash**
Inadequate physical security provides an opportunity to misappropriate cash from the float, daily cash receipts and/or bank deposit. It may be difficult to identify when and why cash shortages occur or the person responsible if access to cash is not limited. Cash should be kept secure at all times. This includes but is not limited to:
- Keeping all cash in a locked cash register, cash drawer or cash box;
- Locking the cash register, cash drawer or cash box when cash is left unattended; and
- Affixing cash registers and boxes to a fixed surface to prevent removal.

Cash should be counted in a non-public, secure area, out of sight.

Physical access to the safe or storage areas where cash is kept should be restricted to a limited number of people. Access may be restricted by limiting those with access to keys or knowledge of the combinations. Access should be granted based on the employee’s job duties.

**Cash Float**
Continuous access to the cash float for an extended period of time without management oversight provides an opportunity to misappropriate, skim or lap funds. A cash float is issued for the purpose of
making change for a cash transaction. Money from the float should not be retained or expended to pay invoices or miscellaneous expenses, replenish petty cash or make loans or advances.

The cash float should be stored in a secure location with limited access at all times. Access to the cash float should be limited to the cashier and their direct supervisor during a given shift. The cashier should count the cash float at the start and end of their shift. At a minimum, the float should be re-counted by management or their designate at the end of the cashier’s shift as part of the receipts reconciliation process. Shortfalls in the float balance should be brought to management’s attention, investigated, documented and resolved.

5. POLICIES RELATING TO STAFF

5.1 Code of Conduct & Conflict of Interest Policy

Policy Level: Library Board
Author: CEO/Chief Librarian- Director Human Resources
Review Period: 4 Years
Approval Date: November 2015

Scope
This Code of Conduct and Conflict of Interest Policy applies to all HPL employees, including but not limited to regular, temporary and contract employees, volunteers, students and interns (collectively referred to as “Employees”).

Core Principles
Core values of the Hamilton Public Library are: Intellectual Freedom, Inclusiveness, Innovation, Respect and Accountability. Each employee occupies a position of trust in dealing with others inside and outside the Library. Whatever the area of activity or degree of responsibility, the Library Board expects each employee to act in a manner which will enhance the Library’s reputation for ethical performance and professionalism in all its dealings.

The Hamilton Public Library is an organization funded primarily by the City of Hamilton and is charged with the management of public funds and programs, and therefore, employees must avoid not only actual conflicts of interest and breaches of trust, but also the appearance of conflicts of interest or breaches of trust.

Library employees often work in spaces where their actions are visible to members of the public. Staff need to ensure that both their actions and the appearance of their actions reflect well on the Hamilton Public Library. Focusing on meeting the needs of customers, including making them feel welcome in our spaces is essential to building trust and confidence in HPL.

Employees of the Hamilton Public Library are guided by the following principles:

1. We understand that we all have a role to play in ensuring the community has confidence and trust in HPL. We will behave with high ethical and customer service standards and be accountable for our actions.
2. We will be respectful of each other and towards members of the community we serve. We will treat all with dignity, respect and without discrimination.
3. We will adopt the perspective of advocate for our customers, ensuring we understand their needs and assist them to the best of our ability. If we are in doubt that we have not given a full answer or solution we will get appropriate assistance from other staff.
4. We will promote and foster a safe, secure and healthy work environment and public space for all.
5. As public servants we will not engage in any conduct or business practice which might bring the reputation of HPL into ill-repute or damage or diminish the reputation of the Library in the eyes of members of the community.
6. We will avoid actual and potential conflicts of interest or breaches of trust. We will be proactive in disclosing actual or potential conflicts with the appropriate individuals and seek proper advice if we are unsure.
7. We will abide by the law and adhere to all Hamilton Public Library policies and procedures. In following policy and procedures we will use good judgement and consider the individual needs of customers.

**Customer and Service Commitment**
At HPL our goal is to deliver an exceptional library experience. Library staff commit to:

- Providing professional, knowledgeable and best in class customer service.
- Be engaging with our customers and our community. We welcome feedback to continually improve our service delivery.
- Striving to meet your expectations for timely delivery of materials and provision of relevant services and programs. We are life-long learners and ready to help you with questions or concerns.
- Providing welcoming and inclusive spaces and be sensitive to your individual needs. We will maintain your confidentiality and privacy.

**Conflicts of Interest & Breaches of Trust**
Conflicts of interest and breaches of trust may take many forms. It is impossible to list them all. Remember, if you are unsure ask your manager/supervisor. In most cases, prompt and early disclosure of potential conflicts of interests will permit the problem to be resolved.

- **Definition of Family:** For the purposes of this policy family is defined as: spouse (including common law and same sex), or relative (including child, dependant, parent, foster or adopted parent, grandparent, grandchild, brother or sister, son-in-law, daughter-in-law, brother-in-law, sister-in-law).

- **Personal Benefit:** Employees shall not engage in any behaviour or conduct which may be seen to be an attempt to gain, through their positions as Library employees, or through their knowledge or contact gained as a Library employee, any personal advantage, advancement, favour, influence, benefit, discount or other interest, for themselves, their family or friends.

- **HPL's Reputation:** Employees shall not engage in any activities or business practices which might bring the reputation of the Library into ill-repute or damage or diminish the reputation of the Library in the eyes of members of the community.

- **Protecting Confidentiality:** Protecting the confidentiality of customers, employees and business partners is a responsibility that all staff need to take very seriously.
  - Employees will not access personal customer information (i.e. borrowing records, computer logs...) unless it is required to conduct legitimate library related business.
  - Employees will not disclose personal customer information unless it is required to conduct legitimate library related business and/or is permitted under the Municipal Freedom of Information and Protection of Privacy Act.
Employees shall not release a customer's personal record or any other "personal information" about a customer without permission from the individual involved. This includes the right to privacy of a specific family member from inquiries made by other family members. Employees need to be knowledgeable of Library policies and procedures around parent’s access to children’s account information, picking up holds of family members and other related circulation functions that provide limited and defined exceptions where disclosure is appropriate.

Library staff need to be knowledgeable of Library policies and procedures related to assisting Police in cases of emergency or a criminal investigation.

- **Waiving Fines and Fees:** In following policy and procedures employees will use good judgement and consider the individual needs of customers. Library procedures include circumstances when staff can adjust fines or fees based on the circumstances of the customer.
  - Procedures for waiving or reducing monies owed to the Library must be adhered to so an appropriate record of the transaction is maintained for audit purposes.
  - Employees will not exceed the staff limit to waive fines by creating multiple transactions below the threshold set out in policy. Where a larger waive seems justified staff should refer to the Manager or designate. Staff should use good judgement and may allow a checkout to continue by overriding the limit in cases where the matter has been referred to a Manager.
  - Employees will not waive fines or otherwise adjust their own records or those of family members.

- **Respecting Library Property including Library Collections:** Library collections, computers, furniture, supplies and equipment are held in trust by HPL for the purpose of fulfilling our mission to the people of Hamilton.
  - Employees will not use library supplies or equipment for personal use, except where permitted by library policy. For example, the Staff Technology Use Policy allows for limited personal use of library computers in certain circumstances.
  - Employees will access library collections for personal use by ensuring they are properly checked out on the integrated library system (ILS).
  - Employees will not use access to the ILS or other systems to extend loan periods, adjust hold queues or fines for themselves or other employees. This restriction does not include staff that are accessing the system for legitimate business purposes, such as, setting up a display or resolving customer complaint or system problem.
  - Upon termination of employment, an employee shall promptly deliver to HPL any and all property, technology, data, manuals, notes, records, plans, or other documents, including any such documents stored on any video or software related medium, held by the employee concerning HPL's services and programs, know-how, developments, and equipment. This includes property made or prepared by the employee and relating in any way to the affairs of HPL. With permission, employees may retain samples of their work if such work is in the public domain. However, this paragraph shall not apply to any original research or to any articles or papers for which the employee is an author or co-author, for
which the employee shall retain all intellectual property rights.

- **Doing Business with HPL and Contract Approval:** Employees shall not, personally or through companies in which they or their family are involved:
  - Bid on Library contracts for the supply of goods or services
  - Work on Library contracts, for the supply of goods or services, other than in their capacities as Library employees.
  - Approve any contract, agreement or other document on behalf of the Library for any business in which they or their family is personally involved.

- **Hiring and Supervision of Employees:** Employees shall not be involved in any decision to hire or engage their family members for any employment with the Library whether temporary, full-time, part-time, casual or seasonal.
  - Employees shall not influence or attempt to influence any decision relating to the hiring of family members.
  - Employees shall not permit themselves to be placed in supervision over another Library employee who is a family member without disclosing the nature of the relationship to the appropriate supervisor.

- **Gifts and Benefits:** Employees shall not accept any gift, benefit, money, discount, favour or other assistance from any business which has a contract with the Library Board to supply goods or services, unless the gift, benefit, money, discount, favour, or assistance is one which, due to the nature of the business, is available to the general public.
  - No employees shall accept any gifts, hospitality, and invitations to special events which exceed $100 in value.
  - Nominal gifts or hospitality below $25 may be accepted under appropriate conditions.
  - Gifts or hospitality ranging from $25 to $100 may be accepted under appropriate conditions as long as they are documented and disclosed. Employees will disclose the receipt of such gifts to the Chief Librarian and Director of Finance and Facilities. The Chief Librarian will disclose to the Library Board Chair.
  - **Appropriate conditions** for this policy is defined as: it is in the context of a business meeting or interaction, or in the context of a recognized charitable event; and it is an infrequent occurrence; and it legitimately serves a business purpose; and it is appropriate to the business responsibilities of the individual employee; and the gift or hospitality is not an attempt to seek special favours or advantages from the employee or HPL.

- **Speaking Fees and Publications:** No employee shall charge or knowingly accept a fee for taking part in a public speaking engagement such as a public radio/television broadcast, web site broadcast or conference to which he or she was invited as a direct result of his or her position as an employee. No employee shall charge or knowingly accept a fee for writing or publishing articles or books in any print or online publications, if such articles or books directly relates to the employee’s position at HPL or uses insider information about HPL. The same restrictions apply for the creation of audio, video and other media types. The rules specified in the Gifts and Benefits section apply to Speaking Fees and Publications, however, some additional exceptions apply:
Accepting free admission from the seminar or conference organizers for the balance of the seminar or conference is not a violation of this Policy.

Any fee that is received for work done during normal working hours, or at any time where the employee is representing the Library, shall be turned over to the Library, unless the value of the fee does not exceed expenses (incurred for attending the event) which are not reimbursed by the Library.

Employees may charge or accept a fee for speaking engagements during time off work (e.g. vacation time) providing such employees are not representing or purporting to represent the Library.

**Outside Employment:** Employees shall not take outside employment, including self-employment, if such employment: causes a real or apparent conflict of interest; or is performed in such a way as to appear to be an official act of or to represent HPL; or interferes with regular duties in any way, or involves the use of Library premises, resources or equipment including but not limited to Library e-mail, telephones, cell phones, or supplies.

Where it appears that a conflict of interest might arise in accepting outside employment, employees must notify their supervisor in writing of the nature of such outside employment prior and receive written permission prior to the acceptance of such employment.

**Community Board Activity:** Employees are encouraged to volunteer in the community on their personal time and this may include serving on local boards or agencies; however, no employee shall accept an appointment to the Board of a community agency or association that deals with matters related to the activities of HPL, without the written permission of the Chief Librarian or designate. Written permission of the Chief Librarian or designate is not required if the employee is appointed to the Board of the agency or association by HPL to represent HPL’s interests.

Any Library employee serving on a community board shall take all reasonable actions to avoid any real conflict or apparent conflict between Board activity and HPL’s interests. Where a real or apparent conflict exists, the employee shall declare the conflict and shall not take part in, or be present for, any Board discussion or decision about the issue raising the conflict of interest. If the conflict of interest is significant, the employee shall resign from the board.

**Compliance with Laws and Regulations:** Employees shall not, during the course of the conduct of their employment duties, knowingly violate, or permit the violation of, or fail to report the violation of, any federal or provincial statute or regulation. Staff will adhere to all policies of the Hamilton Public Library. Library procedures exist to provide guidance to staff in circumstances where potential crimes need to be reported to the Police.

**Software Piracy:** HPL forbids software piracy, defined as using any unlicensed copy of a software package that has not been purchased for Library purposes. It includes taking a copy of a licensed software package for one’s own use or passing a copy on to another person for their use (See the Staff Technology Use Policy.)
- **Public Duty**: Some positions in the organization are more subject than others to conflicts of interest. Managers, Directors and employees who give professional advice or assistance, or participate in enforcement and/or inspection activities, shall take every reasonable action not to place themselves in conflict of interest situations, or exhibit behaviour or commit acts which could bring disrepute to HPL or undermine HPL’s reputation.
  - Since public criticism can also undermine HPL’s reputation, employees are expected to refrain from public criticism of HPL or of other Library employees through all venues including social networking. This does not remove employees’ rights as citizens to comment generally on matters of public interest, but in exercising this right, Library employees must not identify themselves as such or purport to be speaking on behalf of the HPL.

**Compliance**
Employees are reminded of the importance of disclosure. In most cases, prompt and early disclosure of potential conflicts of interests will permit the problem to be resolved. By signing the Employee Code of Conduct & Conflict of Interest Policy, employees acknowledge and accept responsibility to act and behave in a manner that is consistent with the expectations prescribed in this Policy. Employees collectively benefit from an overall atmosphere of high ethical conduct that flows from this commitment. Employees who are found to be in a conflict of interest or breach of trust, or who fail to disclose circumstances with the potential for a conflict of interest or breach of trust will be dealt with seriously and disciplinary action up to and including termination will be taken.

5.2 Hiring Policy

Policy Level: Library Board
Author: Director Human Resources
Review Period: 4 Years
Approval Date: June 2018

Purpose
The purpose of this Policy is to set a consistent and equitable standard for the recruitment and selection of employees at the Hamilton Public Library. This will help to create a diverse and qualified talent pool to support the Library’s current and future business needs. Effective recruitment, selection and promotion practices optimize the efficiency of human resources, and maximize the number of promotion and career development opportunities for existing employees.

Key Points Summary:
- The Hiring Policy exists to ensure consistent and equitable processes are followed
- This is to create a diverse and qualified talent pool
- HPL is committed to transparent and merit-based selection
- The following criteria inform the selection process: seniority, knowledge, education, experience, qualifications, ability and skill to fill the vacancy immediately

Policy
The Hamilton Public Library is committed to transparent and merit-based selection in all of its hiring decisions. All applicants are given an equal opportunity for employment in compliance with the provisions in the Ontario Human Rights Code, the Accessibility of Ontarians with Disabilities Act and any other applicable legislation.

The Hamilton Public Library recognizes that its effectiveness as a publicly-funded organization is determined largely by the quality of its workforce. To this end, an impartial and objective recruitment and selection process best ensures the employment of the most qualified and experienced personnel available. The Hamilton Public Library Board is committed to ensuring that the best-qualified candidates are selected for positions within the Library system.

It is the policy of the Library to hire employees on the basis of merit and the following criteria will govern during the selection process: seniority, knowledge, education, experience, qualifications, ability and skill to fill the vacancy immediately shall be selected. A relative of an existing employee, who is identified as being the best candidate, may be hired if there is no direct on-the-job supervisory link between the parties.

The Hamilton Public Library will not tolerate acts of favouritism, discrimination or influence in the selection process. Elected officials, appointed officers or employees of the Library shall not attempt to influence the hiring of any applicant.
As per our policy, all candidates selected for positions that require employees to work closely together with children and vulnerable adults, whether with or without supervision, will require a Vulnerable Sector Screening as a bona fide occupational requirement.

To facilitate effective recruitment and selection, all hiring will be coordinated through the Human Resources Department. For permanent positions, the Human Resources Department is responsible for assembling the most qualified and experienced candidates available, and for providing professional assistance and counsel to the hiring Department or selection panel. The Chief Librarian/CEO is responsible for the final hiring decisions.

5.3 Rehiring Retirees Policy
Author: Human Resources Director
Policy Level: Library Board
Review Period: 4 Years
Approval Date: June 2018

Purpose
The purpose of this policy is to identify circumstances whereby a former employee who has retired from the Library can subsequently return to work for the Library. The policy is based on the need to maintain a consistent and transparent hiring process for departments to follow when contemplating resource options which include the re-hiring of retirees.

Key Points Summary
• The Rehiring Retiree Policy exists to ensure consistent and equitable processes are followed
• To ensure that it does not become a substitute for encouraging the development of well-qualified staff
• To ensure it is time limited and for a specific set of skills required

Scope
This recruitment policy applies to all regular full-time, part-time, contract positions and Library Page (casual) staff who, following official retirement, elect to seek re-employment with the Library. Official retirement refers to the former employee advising the Library in writing that they are retiring from the organization.

Rehiring Retirees Protocol
As an equal opportunity employer, the Library values diversity and is committed to principles found in the Ontario Human Rights Code.
The Library is committed to effective succession planning and does not intend to use the Library retiree re-employment as a substitute for developing well qualified staff. The Library will not re-hire its retirees for the sole purpose of convenience.

Re-employment must be in response to a Library need, for example: the retired employee possesses skills and institutional knowledge that the hiring department cannot otherwise readily obtain in the community; or the hiring department anticipates that the retired employee will assist their replacement in acquiring the necessary skill and knowledge through a knowledge transfer not otherwise available.

Retention of the retiree must not exceed a total of six (6) months. Any period beyond six (6) months requires approval of the respective Director to a maximum of an additional six (6) months.

**Responsibilities**

**Human Resources** – The Director of Human Resources is authorized to ensure that the information within this policy is applied and that all actions comply with the Employment Standards Act, Ontario Human Rights Code as well as any additional provincial legislation and Collective Agreements.

**Managers** – To ensure that this policy is followed when conducting any recruitment searches. Managers are required to work with Human Resources prior to any offers of employment.

### 5.4 Staff Development and Training Policy

**Policy Level**: Library Board  
**Author**: Director Human Resources  
**Review Period**: 4 Years  
**Approval Date**: February 2017

**Purpose**

To be successful at an individual, team or corporate level, employees need the right knowledge, skills, attitudes and competencies to support Hamilton Public Library’s (HPL’s) Mission, Values, and Strategic priorities. This policy provides a framework for staff development and training activities. Learning, personal and career development activities, and knowledge sharing are responsibilities of all employees and have a broader focus than training alone. Training is just one component of a complete learning and development strategy. Employees’ learning, personal and career development activities are tied to the Goal Setting and Performance Review process that is described in HPL’s Performance Management Policy.

**Policy**

The Hamilton Public Library recognizes the benefits of investing in staff development and training in order to
• build a competent, diverse, and professional workforce;
• increase employee engagement and job satisfaction;
• maintain public confidence in the quality of HPL’s service delivery;
• position HPL as an attractive employer in the job market;
• create a skilled and versatile workforce that can adapt to changing needs;
• reduce risk and exposure to liability due to non-compliance with legislated requirements;
• foster employee career growth, high performance, and innovation, and
• act as an important input to workforce planning including succession planning.

Employees interested in a career with the Hamilton Public Library should be prepared to develop a Learning and Development Plan for their own learning and professional development and to seek feedback about that plan from their manager or supervisor and the Human Resources Department. While it is acknowledged that not all employees may have a desire to move into a higher level role or managerial or supervisory role, continuous learning and development is important to stay current with changing trends and technology in an employee’s existing role.

Learning and Development Plans will reflect the employee’s individual needs and the operational needs of the Library. Employee Learning and Development Plans will outline what competencies require improvement or further development, what actions need to be taken by the employee and the employer, and the target completion date. A Learning and Development Plan may also include what future roles the employee would like to move toward at the Library, and those career goals will guide parts of the Plan.

Learning and Development Plans are a key component of HPL’s Goal Setting and Performance Review process. Goal setting and performance review meetings are held to ensure that employees understand what is expected of them and what supports are available to them. Learning and development planning is a process that involves both employee and manager input. The Library provides resources for the training and developmental support of employees.

**Statement of Principles**
Hamilton Public Library is committed to
• fostering a learning culture where learning and development opportunities are provided to help employees develop and apply new competencies and work flexibly to meet the constant changes of day-to-day operations;
• ensuring learning activities align with strategic priorities and current operations and projects as adult learning is most effective when learning directly relates to job responsibilities and is immediately relevant;
• encouraging and assisting staff to develop their skills and knowledge to improve individual performance and to promote job satisfaction;
• ensuring fair and equitable access to development opportunities for employees at all job levels and in all job functions, so that they may develop in their existing role, and/or grow into their next position;
• ensuring that sound educational and instructional design principles are applied in all approved education and staff development programs;
• making use of existing staff expertise where appropriate to staff development goals, and promoting knowledge sharing as common practice among employees;
• recognizing that learning and development is a joint responsibility shared by the Library and the employee;
• providing necessary resources including time for learning, funding, qualified leadership, physical spaces suitable for learning functions, and appropriate technology, and
• assessing training options to ensure value for money spent, negotiating with vendors to encourage learning content alignment with the Library’s operational needs and goals, and evaluating transfer of training by the employee on the job.

Responsibility
Responsibility for staff development and training at Hamilton Public Library is multilayered and is shared among the following parties:

• The effectiveness of any staff development activity depends on the active and purposeful participation of the individuals involved. Employees have a clear responsibility to develop their skills to enhance performance in their current position and to be ready to assume further responsibilities.
• Senior Administration and Management have overall responsibility for the development of Library staff.
• The Coordinator, Staff Development and Training, and the Director, Human Resources support the programs that are part of the Learning Institute at HPL and have overall accountability for the extent, quality, effectiveness and equitable nature of staff development, for planning and overseeing the development, scheduling and funding of internal staff development and training initiatives, for review of external opportunities relevant to Hamilton Public Library goals and for assessing options and negotiating with vendors such as trainers or coaches or consultants.

Definitions
Staff development refers to the provision of resources and the scheduling of activities to advance employees’ knowledge, understanding and skills through the Learning Institute at HPL and to meet succession planning needs.

The Learning Institute at HPL offers opportunities designed to support a comprehensive and continuous process of professional growth, including opportunities for exposure to varied ideas and diversity of experience. Learning Institute programs foster staff development through means such as onboarding, training, mentoring, coaching, and optional and required internal and external learning programs including lunch and learn sessions, conferences, workshops, coursework, leadership development programs, e-learning programs, webinars, participation on system committees and special projects, professional summits and knowledge sharing opportunities.
Education in this policy refers to formal education qualifications referred to in job descriptions and obtained through study at academic institutions. Educational qualifications are highlighted in HPL’s Educational Qualifications Policy.
